Child Information (at time of incident)

Age: 8 years Gender: Female Male

Race or Ethnicity: White

Special Needs: None

Date of Incident: 01/25/2018

Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:

On January 26, 2018, the agency received a report regarding an 8-year-old child brought to the hospital with significant injuries to his face and head sustained on January 25, 2018. Medical personnel determined that the child's injuries were consistent with accidental injuries. Law enforcement was contacted and initiated a criminal investigation. No criminal charges were filed and the case was closed.

Findings by agency, including maltreatment determination and material circumstances leading to incident:

The agency collaborated with law enforcement and medical personnel to complete the assessment. The Initial Assessment completed by the agency found insufficient evidence to substantiate maltreatment of physical abuse or neglect to the child by the mother. Medical professionals determined the child sustained injuries that were consistent with an accident. The agency determined the child and his 4-year-old sibling safe and the child and his sibling remained in their home with their mother. The family was referred to community support services and the agency closed the case upon completion of the Initial Assessment.
