**Date of Incident:** 03/14/2018

**Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:**

On March 14, 2018, the agency received a report regarding a 2-month-old infant brought to the hospital with multiple injuries. The infant's twin, also 2-months-old, was examined and found to have multiple injuries as well. Law enforcement was contacted and initiated a criminal investigation. As a result of law enforcement's investigation, the father was arrested and criminally charged with two counts of Child Abuse-Recklessly Cause Great Harm, class E Felony. A criminal charge is merely an allegation and a defendant is presumed innocent until and unless proven guilty.

**Findings by agency, including maltreatment determination and material circumstances leading to incident:**

The agency collaborated with law enforcement and medical personnel to complete the assessment. The Initial Assessment completed by the agency found a preponderance of the evidence to substantiate maltreatment of physical abuse and neglect to both 2-month-old infants by their father. Medical professionals determined the infants sustained multiple injuries consistent with non-accidental head trauma. The father was criminally charged and court ordered to have no contact with the children. The agency initiated a Protective Plan, and the 2-month-old twins and their 1-year-old sister temporarily stayed with a relative. Upon completion of the Initial Assessment, the infants were deemed safe, the Protective Plan was terminated, and the infants remained in the home with their mother. The agency closed the case upon the completion of the Initial Assessment.
