Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:

On August 24, 2018, the agency received a report of maltreatment regarding 9-year-old, 11-year-old, 12-year-old, and 14-year-old children. Law enforcement was contacted and initiated a criminal investigation. As a result of law enforcement's investigation, the mother and father were arrested and each charged with two counts of False Imprisonment, three counts of Second Degree Recklessly Endangering Safety and four counts of Neglecting a Child – Consequence is Emotional Damage. A criminal charge is merely an allegation and a defendant is presumed innocent until and unless proven guilty.

Findings by agency, including maltreatment determination and material circumstances leading to incident:

The agency collaborated with law enforcement and medical personnel to complete the assessment. The Initial Assessment completed by the agency found a preponderance of the evidence to substantiate maltreatment of neglect to the 9-year-old, 11-year-old, 12-year-old and 14-year-old children by their mother, father and maternal cousin. The agency found a preponderance of evidence to substantiate maltreatment of neglect to the 9-year-old by his maternal aunt. The agency found a preponderance of the evidence to substantiate maltreatment of physical abuse to the 9-year-old and 11-year-old by their father. The agency found a preponderance of the evidence to substantiate maltreatment of physical abuse to the 11-year-old by his mother. The children and their 15-year-old sibling were deemed unsafe and taken into Temporary Physical Custody. The four younger children were placed in a licensed relative foster home and the oldest child was placed in a licensed non-relative foster home. Children in Need of Protection or Services Petitions were filed and the case remained open to provide ongoing case management services.
