

90-Day Summary Report for Child Death, Serious Injury or Egregious Incident

Reports submitted to the Division of Safety and Permanence (DSP) that do not include all of the required information will be returned to the agency for proper completion. Do not identify individuals by name when completing this report. Individuals may be referenced by relationship or position; e.g., mother, father, child, sibling, physician, detective, etc.

Case Tracking Number: 180927-DSP-DUNN-863

Agency: Dunn County Department of Human Services

Child Information (at time of incident)

Age: 4 Months

Gender: Female Male

Race or Ethnicity: White/Caucasian

Special Needs: None

Date of Incident: 09/27/2018

Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:

On September 28, 2018, the agency received a report regarding 4-month-old infant pronounced deceased in her home on September 27, 2018. Law enforcement was contacted and initiated a criminal investigation. The Medical Examiner's Office determination and toxicology results are pending. No criminal charges have been filed in this case, and the investigation remains open.

Findings by agency, including maltreatment determination and material circumstances leading to incident:

The agency collaborated with law enforcement and medical personnel to complete the assessment. The Initial Assessment completed by the agency found insufficient evidence to substantiate neglect to the infant by her mother and father. The Medical Examiner's Office determination and toxicology results are pending. The agency initially determined the infant's sister to be unsafe, and initiated a Protective Plan on September 28, 2018. The agency subsequently determined the infant's sister to be safe, and the sister remained in the home with her parents. The family was referred to community support services, and the agency closed the case upon completion of the Initial Assessment.

- Yes No Criminal investigation pending or completed?
 Yes No Criminal charges filed? If yes, against whom?

Child's residence at the time of incident: In-home Out-of-home care placement

Complete the appropriate following section (A. or B. based on the child's residence at the time of the incident).

A. Children residing at home at the time of the incident:

Description of the child's family (includes household members, noncustodial parent and other children that have visitation with the child and / or in the child's family home):

At the time of the incident, the infant resided with her mother, father, 2-year-old sister, maternal grandmother, maternal uncle, maternal aunt and the maternal aunt's significant other.

Yes **No** **Statement of Services:** Were services under ch. 48 or ch. 938 being provided to the child, any member of the child's family or alleged maltreater at the time of the incident, including any referrals received by the agency or reports being investigated at time of incident?

If "Yes", briefly describe the type of services, date(s) of last contact between agency and recipient(s) of those services, and the person(s) receiving those services:

At the time of the incident, the agency was working the family regarding the Services Report received on July 13, 2018. The last contact by the agency was a telephone call with the mother on September 20, 2018.

Summary of all involvement in services as adults under ch. 48 or ch. 938 by child's parents or alleged maltreater in the previous five years: (Does not include the current incident.)

On July 13, 2018, the agency screened-in a Services Report. The family was provided referrals to community resources.

Summary of actions taken by the agency under ch. 48, including any investigation of a report or referrals to services involving the child, any member of the child's family living in this household and the child's parents and alleged maltreater. (Does not include the current incident.)

(Note: Screened out reports listed in this section may include only the date of the report, screening decision, and if a referral to services occurred at Access. Reports that do not constitute a reasonable suspicion of maltreatment or a reason to believe that the child is threatened with harm are not required to be screened in for an Initial Assessment, and no further action is required by the agency.)

The following history is applicable to the infant's mother and father:

On August 21, 2018, the agency screened-out a CPS Report.

On July 13, 2018, the agency screened-in a Services Report. The family was provided referrals to community resources.

On July 13, 2018, the agency screened-out a CPS Report.

On November 27, 2017, the agency screened-out a CPS Report.

The following history is applicable to the maternal grandmother, who was residing with the infant at the time of the incident:

On September 1, 2016, the agency screened-out a CPS Report.

On October 8, 2014, the agency screened-out a CPS Report.

On December 16, 2013, the agency screened-out a CPS Report.

On July 22, 2013, the agency screened-out a CPS Report.

On June 21, 2013, the agency screened-out a CPS Report.

On August 24, 2012, the agency screened-in a CPS Report alleging physical abuse of the infant's now 22-year-old mother. An assessment was completed by the agency and the allegation of physical abuse was unsubstantiated. The case was closed upon completion of the Initial Assessment.

On November 23, 2010, the agency screened-in a CPS Report alleging physical abuse of the infant's now 22-year-old mother. An assessment was completed by the agency and the allegation of physical abuse was unsubstantiated. The case was closed upon completion of the Initial Assessment.

On August 17, 2010, the agency screened-out a CPS Report.

On July 14, 2009, the agency screened-out a CPS Report.

On January 17, 2007, the agency screened-in a Services Report. The agency provided the family with referrals to community resources.

Summary of any investigation involving the child, any member of the child's family and alleged maltreater conducted under ch. 48 and any services provided to the child and child's family since the date of the incident:

The agency collaborated with law enforcement and medical personnel to complete the assessment. The Initial Assessment completed by the agency found insufficient evidence to substantiate neglect to the infant by her mother and father. The Medical Examiner's Office determination and toxicology results are pending. The agency initially determined the infant's sister to be unsafe, and initiated a Protective Plan on September 28, 2018. The agency subsequently determined the infant's sister to be safe, and the sister remained in the home with her parents. The family was referred to community support services, and the agency closed the case upon completion of the Initial Assessment.

B. Children residing in out-of-home care (OHC) placement at time of incident:

Description of the OHC placement and basis for decision to place child there:

N/A

Description of all other persons residing in the OHC placement home:
