**Child Information** (at time of incident)

Age: 10 Months      Gender:  Female  Male

Race or Ethnicity: White/Hispanic/Latino

Special Needs: None

**Date of Incident:** 12/9/2018

**Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:**

On December 9, 2018, the agency received a report regarding a 10-month-old infant brought to the hospital with head injuries. The infant was subsequently pronounced deceased. Medical personnel determined the injuries were consistent with non-accidental head trauma. Law enforcement was contacted and initiated a criminal investigation. As a result of law enforcement's investigation, a non-relative member of the infant's household was arrested and criminally charged with 1<sup>st</sup> Degree Reckless Homicide. A criminal charge is merely an allegation and a defendant is presumed innocent until and unless proven guilty.

**Findings by agency, including maltreatment determination and material circumstances leading to incident:**

The agency collaborated with law enforcement and medical personnel to complete the assessment. The Initial Assessment completed by the agency found a preponderance of the evidence to substantiate maltreatment of physical abuse to the infant by a non-relative member of the infant's household. Medical professionals determined the infant sustained injuries consistent with non-accidental head trauma. The non-relative maltreater's two children were deemed unsafe and placed with their mother in a separate residence under a Protective Plan. The agency subsequently determined the children safe and they remained in the care of their mother in her home. The agency closed the case upon completion of the Initial Assessment.
