Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:

On March 3, 2019, the agency received a report regarding a 7-week-old infant with multiple injuries. Medical personnel determined the injuries were non-accidental in nature. Law enforcement was contacted and initiated a criminal investigation. As a result of law enforcement's investigation, the mother and father were arrested. The infant's mother was criminally charged with Child Abuse-High Probability/Great Harm and Neglecting a Child. The infant's father was charged with Neglecting a Child. A criminal charge is merely an allegation and a defendant is presumed innocent until and unless proven guilty.

Findings by agency, including maltreatment determination and material circumstances leading to incident:

The agency collaborated with law enforcement and medical personnel to complete the assessment. The Initial Assessment completed by the agency found a preponderance of the evidence to substantiate maltreatment of physical abuse to the infant by her mother, and neglect to the infant by her mother and father. Medical professionals determined the injuries to the infant were non-accidental in nature. The infant and her 2-year-old brother were deemed unsafe, taken into Temporary Physical Custody, and placed with relatives. A Petition for Protection or Services was filed and the case remained open to provide ongoing case management services.
