**Child Information** (at time of incident)

Race or Ethnicity: Black/African American

**Date of Incident:** 6/22/2019

**Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:**

On June 22, 2019, the agency received a report regarding a 5-year-old child pronounced deceased in his home. Law enforcement was contacted and initiated a criminal investigation. The Medical Examiner's Office noted the child's injuries were consistent with non-accidental trauma; toxicology results are pending. As a result of law enforcement's investigation, the father was arrested and criminally charged with 1st Degree Reckless Homicide; Felony B. A criminal charge is merely an allegation and a defendant is presumed innocent until and unless proven guilty.

**Findings by agency, including maltreatment determination and material circumstances leading to incident:**

The agency collaborated with law enforcement and medical personnel to complete the assessment. The Initial Assessment completed by the agency found a preponderance of the evidence to substantiate maltreatment of physical abuse to the child by the father and to substantiate neglect of the child by the mother. The Medical Examiner's Office determined the child's injuries were consistent with non-accidental trauma. The child's siblings were deemed unsafe, taken into Temporary Physical Custody and placed with relatives. A Petition for Protective or Services was filed and the case remained open to provide ongoing case management services.
