Date of Incident: 01/11/20

Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:

On January 11, 2020, the agency received a report regarding a three-month-old infant who was pronounced deceased in the hospital after having been found unresponsive in his home. Law enforcement was contacted and initiated a criminal investigation. The Medical Examiner's Office determined the death was due to an unsafe sleep environment. No criminal charges have been filed in this case, and the investigation remains open.

Findings by agency, including maltreatment determination and material circumstances leading to incident:

The agency collaborated with law enforcement and medical personnel to complete the assessment. The Initial Assessment completed by the agency found a preponderance of the evidence to substantiate neglect of the infant by the mother and father. The Medical Examiner's Office determined the death was due to an unsafe sleep environment. The infant's siblings were deemed safe and remained with their mother and father. The agency closed the case upon completion of the Initial Assessment and no service referrals were made.
