Child Information (at time of incident)

Age: 11 years Gender: Female Male

Race or Ethnicity: Black; African American

Special Needs: None

Date of Incident: 03/07/22

Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:

On March 7, 2022, the agency received a report regarding an 11-year-old child brought to the hospital with a serious injury. Law enforcement was contacted and initiated a criminal investigation. Medical professionals determined the child sustained a serious injury. No criminal charges have been filed in this case, and the case was closed.

Findings by agency, including maltreatment determination and material circumstances leading to incident:

The agency collaborated with law enforcement and medical professionals to complete the assessment. The Initial Assessment completed by the agency found a preponderance of the evidence to substantiate maltreatment of neglect of the child by the mother. Medical professionals determined the child sustained a serious injury. The child and child's siblings were deemed safe and remained in the father's care. The family was referred to community services, and the agency closed the case upon completion of the Initial Assessment.
