**Date of Incident:** 12/25/2022

**Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:**

On December 26, 2022, the agency received a report regarding a 2-month-old infant with multiple injuries who was brought to the hospital on December 25, 2022. Law enforcement was contacted and initiated a criminal investigation. Medical professionals determined the injuries were non-accidental in nature. As a result of law enforcement's investigation, the infant's father was criminally charged with Physical Abuse of a Child and Neglecting a Child. A criminal charge is merely an allegation, and a defendant is presumed innocent until and unless proven guilty.

**Findings by agency, including maltreatment determination and material circumstances leading to incident:**

The agency collaborated with law enforcement and medical professionals to complete the assessment. The Initial Assessment completed by the agency found a preponderance of the evidence to substantiate maltreatment of physical abuse to the infant by the father and neglect of the infant by both the mother and father. Medical professionals determined the injuries were non-accidental in nature. The infant was deemed unsafe and taken into Temporary Physical Custody. Upon discharge from the hospital, the infant was placed in a non-relative foster home. A Child in Need of Protection or Services Petition was filed, and the case remained open to provide ongoing case management services.
