Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:

On April 24, 2023, the agency received a report alleging neglect of a 5-year-old child who was reported missing. Law enforcement was contacted and initiated a criminal investigation. As a result of law enforcement's investigation, the child's father was criminally charged with 1st Degree Intentional Homicide of the child's mother. A criminal charge is merely an allegation, and a defendant is presumed innocent until and unless proven guilty.

Findings by agency, including maltreatment determination and material circumstances leading to incident:

The agency collaborated with law enforcement to complete the assessment. The Initial Assessment completed by the agency was unable to make a determination as to maltreatment regarding neglect of the child by the child's father because neither the father nor the child was able to be located. The agency deemed the child's older sibling safe with their adult siblings. The agency was unable to make a safety determination regarding the child as the child is presumed to be with her father and their whereabouts are unknown. The agency closed the case upon completion of the Initial Assessment, and no service referrals were made.
