**Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:**

On June 12, 2023, the agency received a report regarding a 2-year-old child who was pronounced deceased in her home. Law enforcement was contacted and initiated a criminal investigation. The Medical Examiner's Office determined the cause of death to be positional asphyxia. As a result of law enforcement's investigation, the mother and father were criminally charged with Neglecting a Child (Consequence is Death). A criminal charge is merely an allegation, and a defendant is presumed innocent until and unless proven guilty.

**Findings by agency, including maltreatment determination and material circumstances leading to incident:**
