Child Information (at time of incident)

Age: 2 months Gender: Female Male

Race or Ethnicity: Black/African American

Special Needs: None

Date of Incident: 2/15/2024

Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:

On February 15, 2024, the agency received a report regarding a 2-month-old infant who was unresponsive and taken to the hospital. The infant was later pronounced deceased. Law enforcement initiated a criminal investigation. The Medical Examiner's Office noted no signs of trauma to the infant; toxicology results are pending. No criminal charges have been filed in this case, and the investigation remains open.

Findings by agency, including maltreatment determination and material circumstances leading to incident:

The agency collaborated with law enforcement and medical professionals to complete this assessment. The Medical Examiner's Office noted no signs of trauma to the infant; toxicology results are pending. The Initial Assessment completed by the agency found insufficient evidence to substantiate neglect of the infant by the father and insufficient evidence to substantiate physical abuse of the infant by an unknown maltreater. The agency determined the infant's siblings unsafe and initiated a Protective Plan. Subsequently, the mother was assessed as protective, and the infant's siblings remained with their mother. The agency closed the case upon completion of the Initial Assessment, and no service referrals were made.
