Child Information (at time of incident)

Age: 3 years Gender: ☐ Female ☒ Male

Race or Ethnicity: White

Special Needs: None

Date of Incident: 08/04/24

Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:

On August 4, 2024, the agency received a report regarding a three-year-old child brought to the hospital. Law enforcement was contacted and initiated a criminal investigation. Medical professionals determined the injuries to be accidental. No criminal charges were filed, and the case was closed.

Findings by agency, including maltreatment determination and material circumstances leading to incident:

The agency collaborated with law enforcement and medical professionals to complete the assessment. Medical professionals determined the injuries to be accidental. The Initial Assessment completed by the agency found a preponderance of the evidence to substantiate maltreatment of neglect of the child by an unknown maltreater. The Initial Assessment completed by the agency found insufficient evidence to substantiate neglect of the child by the child's mother and father. The agency deemed the child and his siblings unsafe and initiated a Protective Plan. Subsequently, the mother and father were assessed as protective, and the child and his siblings returned to the mother and father. An Informal Dispositional Agreement was filed, and the case remained open to provide ongoing case management services.
