Child Information (at time of incident)

Age: 3 weeks

Gender: ☒ Female ☐ Male

Race or Ethnicity: White; Caucasian

Special Needs: None

Date of Incident: 10/26/24

Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:

On October 26, 2024, the agency received a report regarding a 3-week-old infant who was transported to the hospital and subsequently pronounced deceased. The Medical Examiner's Office noted no signs of trauma to the infant; the autopsy report is pending. No criminal charges have been filed in this case, and the investigation remains open.

Findings by agency, including maltreatment determination and material circumstances leading to incident:

The agency collaborated with law enforcement and medical professionals to complete the assessment. The Medical Examiner's Office noted no signs of trauma to the infant; the autopsy report is pending. The Initial Assessment completed by the agency found a preponderance of the evidence to substantiate maltreatment of neglect of the infant by the father. The infant's half-siblings were deemed safe and remained with the mother and the infant's father. The family was referred to community services, and the agency closed the case upon completion of the Initial Assessment.
