Date of Incident: 08/13/2025

Description of the incident, including the suspected cause of death, injury or egregious abuse or neglect:

On August 13, 2025, the agency received a report regarding an 8-month-old infant pronounced deceased in her home. Law enforcement was contacted and initiated a criminal investigation. The Medical Examiner's Office determined the death was non-accidental in nature. As a result of law enforcement's investigation, the infant's mother was criminally charged with Move/Hide/Bury Corpse of a Child. A criminal charge is merely an allegation, and a defendant is presumed innocent until and unless proven guilty.

Findings by agency, including maltreatment determination and material circumstances leading to incident:

The agency collaborated with law enforcement and medical professionals to complete the assessment. The Initial Assessment completed by the agency found a preponderance of the evidence to substantiate maltreatment of neglect of the infant by the mother and physical abuse to the infant by an unknown maltreater. The agency closed the case upon completion of the Initial Assessment, and no service referrals were made.
