

Public Notification of a Child Death, Serious Injury or Egregious Incident

Case Tracking Number: 100507DSP-PN-19

Date of Public Notification: 5-12-10

The Division of Safety and Permanence (DSP) has received notification that a child death, serious injury or egregious incident has occurred and maltreatment is suspected, or that a child placed in out-of-home care has died and suicide is suspected.

Date of Incident: 5-07-10

Incident Description:

An infant was brought into the emergency room after the father stated he was sleeping with the baby and rolled over on the child. The child had bi-lateral subdural hematomas and became non-responsive, vomited, went limp and had a seizure. The child was transported to another hospital to be evaluated by medical child abuse specialists. The infant had additional seizures and was found to also have retinal hemorrhaging and rib fractures. The child remains hospitalized.

The family was unknown to the CPS agency prior to this incident.
