

## Public Notification of a Child Death, Serious Injury or Egregious Incident

Case Tracking Number: 110430DSP-Outag-106

Date of Public Notification: 5/5/11

The Division of Safety and Permanence (DSP) has received notification that a child death, serious injury or egregious incident has occurred and maltreatment is suspected, or that a child placed in out-of-home care has died and suicide is suspected.

Date of Incident: 4/30/11

### Incident Description:

On April 30, 2011 the child was taken to the hospital with a swollen leg by her mother and a relative. The mother reported the child was crying a great deal during the day and was sick in recent weeks with colds and ear infections. The medical examination determined the child has a fractured left femur. Further evaluation of the child found that the fractured area of the bone was somewhat crushed, and the child has a skull fracture. The injuries are consistent with significant trauma to the child's body.
