*Note: One evidence-base home visiting program noted that Menominee County was part of their service area in their response to the provider survey. However, this program indicated that no families were served in Menominee County during the most recent program fiscal year.

**Note: Home Visiting, evidence-based home visiting, and specifically MIECHV-funded evidence-based home visiting are currently available in some tribal communities but not available in all 11 federally recognized tribes that are headquartered in Wisconsin.

***Note: The estimate of need in Federally Recognized Tribal Communities is calculated using an alternate method adapted from HRSA's method for estimating need at the county level. An explanation of this alternate method is included in the Home Visiting Needs Assessment Update Narrative.

^Federally Recognized Tribal Communities includes the following tribes: Bad River Band of Lake Superior Chippewa; Forest County Potawatomi; Ho-Chunk Nation; Lac Courte Oreilles Band of Lake Superior Chippewa; Lac du Flambeau Band of Lake Superior Chippewa; Menominee Indian Tribe of Wisconsin; Oneida Nation; Red Cliff Band of Lake Superior Chippewa; Sokaogon Chippewa Community; St. Croix Chippewa Indians of Wisconsin; and Stockbridge-Munsee Community Band of Mohican Indians.
