

Safety Assessment, Analysis and Plan

Note: In order to create a Safety Assessment, Analysis and Plan, an assignment to the case is needed.

1. From the desktop, go to the Cases tab and click the Create Case Work hyperlink [Create case work](#) or select Create Case Work from the Actions drop-down next to the specific case to open the Create Case Work page.
2. On the Create Case Work page, select 'Safety Assessment, Analysis and Plan' from the Safety drop-down. Select the appropriate Case. When launching the Create Case Work page from the Actions dropdown of a Case, the Case will be selected and selection will be disabled.
3. Click Create.

Part Info	Safety Assessment	Description of Safety Threats	Plan Analysis	JCWA/WICWA
-----------	-------------------	-------------------------------	---------------	------------

Safety Threats

No adult in the home will perform parental duties and responsibilities in line with the child's individual developmental needs. [Details](#) Yes No

One or both parents/caregiver's behavior shows a pattern of violence. [Details](#) Yes No

One or both parents/caregivers has impulsive behavior that they cannot/will not control. [Details](#) Yes No

One or both parents/caregivers have exaggerated, negative perceptions of the child. [Details](#) Yes No

Family does not use known, available, and accessible resources to assure the child's essential needs for food, clothing, and/or shelter are met. [Details](#) Yes No

One or both parents/caregivers fear they will maltreat the child and/or request placement. [Details](#) Yes No

One or both parents/caregivers intend(ed) to seriously hurt the child. [Details](#) Yes No

One or both parents/caregivers lack parenting knowledge, skills, or motivation necessary to assure the child's basic needs are met. [Details](#) Yes No

The child has exceptional needs which the parents/caregivers cannot or will not meet. [Details](#) Yes No

Living arrangements seriously endanger the child's physical health. [Details](#) Yes No

The child is profoundly fearful of the home situation or people within the home. [Details](#) Yes No

Safety Assessment and Conclusion

One or more factors that negatively affect safety are identified. [Details](#) Yes No

Date Assessment Completed: **04/01/2025**

Is there an adult in the home that has protective capacities to protect the child(ren) from the identified safety threat? [Details](#) Yes No

If you answer "Yes," please describe how the adult's specific protective capacities can and will manage the identified safety threats. This justification demonstrates that the child(ren) can be protected and no further safety intervention is needed. If you answer "No," continue with the analysis and planning.

Final Safety Decision: Unsafe

Options:

Note: If the copy feature was used to create the Safety Assessment, Analysis, and Plan page the following message displays for any Safety Threats question when a response of ,Yes' is changed to No:

Confirmation

This Safety Threat response has been changed to "No". All description, service/activity, and provider/responsible person identified information associated with this Safety Threat will be deleted.
Continue?

10. The 'Final Safety Decision' is pre-filled based on the answers to the questions:

- a. Division of Milwaukee Child Protective Services (DMCPS) workers, complete the BMCW Safety Services section as applicable.

11. If all safety questions are answered 'No', enter the date of the safety assessment, open the Safety Assessment templates from the Options drop-down, check the Completed check box in the top right, and proceed to step 24 in this guide.

12. If any safety question is answered 'Yes', proceed to the next step.

Note: [Add/Edit Services](#) hyperlink only displays if all 4 questions in the Analysis section of the Plan Analysis tab are answered Yes.

13. If in-home services may work for this family, enter the services that will be implemented by clicking the [Add/Edit Services](#) hyperlink.

14. The Description of Safety Threats tab displays the Safety Threats selected on the Safety Assessment tab with required narrative text to describe each identified safety threat. The Services Available/Accessible section questions are view only on this tab and are based on the individual responses from all individual service questions rolled up to a summary response to the Safety Threat specific question answered on the Safety Plan Services page.

Confirmation

The Child Protective Services Safety Intervention Standards require an assessment of Parent/Caregiver Protective Capacities when there is an unsafe finding on a Safety Assessment, Analysis and Plan. Please use the narrative boxes in the "Parent/Caregiver Protective Capacity" section to document this information.

Close

18. If all the Analysis questions are answered Yes, you will receive the following message:

Confirmation

You have answered "Yes" to all of the analysis questions. In-Home Services will work for this family. Please proceed to develop services for the In-Home Safety Plan. Please select Yes to add services at this time. Select No to remain on this tab.

- a. Selecting 'No' returns you to the Plan Analysis tab.
- b. Selecting 'Yes' will take you to the Description of Safety Threats tab to enter the In-Home Services that will be implemented to ensure safety of the child(ren) in the home.

Note: If one or more of the Analysis section questions are answered 'No', the following message will display requesting completion of the Confirming Safe Environments page:

Confirmation

You have answered "No" to one or more of the analysis questions. In-Home Services will not work for this family. An out-of-home placement is needed to manage Impending Danger. Please create a Confirming Safe Environments page upon final approval of the placement.

19. Click Close to return to the Plan Analysis tab.

20. The two templates associated with the Safety Assessment, Analysis and Plan page can be launched from any tab from the Options drop down.

21. Prior to Approval, the Completed checkbox at the top right of the Safety Assessment, Analysis and Plan page, must be selected.

22. From the Part. Info. Tab, select Approval from the Options dropdown and click Go.

23. Select Approve and click Continue to return to the Safety Assessment, Analysis and Plan. If Approve cannot be selected, verify the Completed checkbox is selected on the Safety Assessment, Analysis and Plan page. On the Safety Assessment, Analysis and Plan page, click Save to send the approval to the assigned Supervisor.

Note: If you do not open a text template, the following message will pop-up after you select the 'Completed' checkbox and click Save. Selecting 'Yes' will continue with saving and selecting 'No' will allow you to open the text templates and then click Save.

Confirmation

Please make sure that you have opened all templates that you wish to be viewable at a later date. Click "No" to go back and create the template(s). Click "Yes" to save the page now. Any templates you have not opened will be unavailable for future viewing after approval.
