A person will be returned from the Person Search page. <u>'Person Search'</u> hyperlink is displayed when the 'Youth' radio button has been selected. The worker will type the person's name into a person search page. The system will conduct a search of the database for the person's name and names that are similar. eWiSACWIS will return any possible "hits" or matches that it finds.

Refer <u>Person Management (wisconsin.gov)</u> for additional information.

5. Additional hearings for the selected youth will be added using <u>Insert</u>. A new row will be inserted with Hearing Date, Hearing Time, Hearing Type, Intake Method, Judge and Branch fields to enter.
