

Youth Justice Court Report

The Youth Justice Court Report page is used to gather information related to a youth to create the Youth Justice Dispositional Court Report document and Statement of Active Efforts when applicable. Additional security is needed to create and view the Youth Justice Court Report page.

1. From the desktop's Cases tab, near the right of an appropriate case, select the Actions drop-down and select Create Case Work or Click the Create case work icon at the top of the page.
 - a Verify or select the case
2. In the Legal drop down, select Youth Justice Court Report and click the Create button.

3. The Youth Justice Court Report page will prefill information in the Youth Info, Parent 1 Info, Parent 2 Info, and Tribal Information from Person Management for the youth or Parents. Click on the name hyperlink to access their Person Management page to update any information as needed.
4. The Type field in Parent 1 or Parent 2 Info will be located on the Parent Info tab of the youth's Person Management page.
5. Guardian(s)/Custodian(s) can also be updated on the Parent Info tab of the youth's Person Management page.

Note: In the Tribal Information section, the question “Does ICWA/WICWA apply?” will only prefill as “Yes” when ALL of the three apply:

- The youth's Tribal Identification section has a Status other than “Not eligible for membership” for any Indian Tribe on their Person Management page.
- On the Recommendations tab of the Youth Justice Court Report, in the Placement Recommendations section, the question “Is it recommended that the Youth be placed out of home?” is answered “Yes”.
- On the Basic tab, any of the offenses selected in the Current Offense(s) section have a Statute/Description/Classification of Juvenile who is alleged to be in need of protection or services under 938.13(4), 938.13(6), 938.13(6m), and/or 938.13(7).
 - If all three conditions apply, the ICWA/WICWA tab will be displayed and required to be filled out and a Statement of Active efforts document will be included with the Youth Justice Dispositional Court Report document.

1. When clicking Create, the Youth Justice Court Report page will display. To save the page, enter the Hearing Date and click Save.
2. After the initial save, the [Youth Justice Court Report](#) hyperlink will display on the desktop under the Legal and Youth Justice topic and display as Pending. It will also display in read only from Search once saved.

1. If an existing YJ Court Report has previously been approved, the YJ Court Report Selection page will display with a view and copy option.

Social History Narrative

This section offers space for additional context to help understand the youth family and circumstances of the case beyond the Information captured in the YASI priority need areas. This may include, but not limited to: [Details](#)

- Description of cultural considerations, family members, important relatives and friends, and other community members, and the history of their relationship to youth.
- Description of any prior involvement with court systems, success or difficulty with specific services, and assessments of family functioning (including strengths as well as needs) and other trauma.
- Information on their relevant YASI domains not addressed in the YASI section, or how domains relate to one another.

- Note:** The options drop down will have Approval and YJ Court Report on each tab. The YJ Court Report document can be launched anytime after initial for review prior and after approval. The **YASI** tab is used to collect information from the YASI Assessment and has a single sign on link that will open YASI for staff with YASI/CaseWorks security.
1. If as YASI wasn't administered, check the Not Applicable checkbox.
 - a. A description of why it wasn't appropriate to administer a YASI and the Responsivity Factors section will become required if Not Applicable is checked.
 2. If left unchecked, the Youth Dynamic Strength and Need Score, Identified Areas of Strength, Priority Area Needs, and Responsivity Factors sections will be displayed and are required prior to approval.

Basic ICWAWICWA Youth History **YASI** Recommendations

Not Applicable [YASI/CaseWorks](#)

Description of why the YASI was not appropriate to administer, and case manager insights into root causes of the incident as would otherwise have been produced through completing the YASI.

Responsivity Factors

Important factors to be considered at disposition and case planning for tailoring interventions and services to the Youth's learning style, social functioning, motivation, and cognitive abilities. Common responsivity factors may also include mental health, hobbies or career interests, long-term goals and/or opportunities for growth, important relationships, cultural context, etc. [Details](#)

3. The Youth Dynamic Strength and Need Score section will prefill with the latest YASI Assessment scores from Case Works if the youth's Person ID matches the Custom Client ID.
- Note:** If the ID's do not match, the Client record can be updated in Case Works, but the Youth Justice Court Report page will not update until the following day with the score from Case Works.

- a. If no score is available at the time of printing the document, the labels will still print on the document. Check the Manually document YASI Score to document the scores manually.

Youth Dynamic Strength and Need Score

Manually document YASI Score

Youth Strength - Protective Score: Very Low

Youth Need - Risk for Re-referral Score: Low

- 4. The Identified Areas of Strength section will default to two Domains and Strengths to be entered.
 - a. Hover over the Details hover help to view additional guidance for each section.
 - b. To add additional rows, click the Insert button.
 - c. To Delete a row, click the Delete hyperlink.

Identified Areas of Strength

Consider including strengths identified in domains under Priorities and Targets.

Description of services being recommended and how they will address the identified priority need areas above, or how the services will support the Youth: [Details](#)

Description of services being recommended

1. The Service Recommendations section is used to document Youth Services, Educational Services, Parent/Caregiver Services.
 - a. Hover over the [Details](#) hover help to view additional guidance for each section.
 - b. Check Not Applicable if Youth Services do not apply.
 - c. If applicable, the Priority Need or Strength Being Addressed will default to two rows. To add an additional row, click the [Insert](#) button.
 - d. To delete a row, click the [Delete](#) hyperlink.

Educational Services: Not Applicable

An Individualized Education Plan is in place or being recommended

Highest Grade Level Completed:

Has the school been notified of educational services/plan? Yes No

Description of current educational services or plans, and any additional relevant information:

Narrative

Parental/Current Caregiver Services: Not Applicable

Description of availability of services, and services that are recommended for the Youth's current caregiver(s), if applicable:

Narrative

2. Educational Services will prefill from Person Management.
 - a. The Individual Education Plan (IEP) in place will prefill with a checked box if checked on Person Management. If one is being recommended the box can be checked on this page to indicate that on the document.
 - b. Highest Grade Level Completed will prefill but can be updated on Person Management if needed.
 - c. Select the Yes or No radio button to indicate if the school has been notified of the IEP and complete the required narratives prior to approval.
 - d. The Not Applicable checkbox can be checked if Educational Services do not apply.
3. Parental/Current Caregiver Services description of available services is required prior to approval.
 - a. Check the Not Applicable checkbox if Parental/Current Caregiver Services do not apply.
4. The required fields change depending on if the Not Applicable checkbox is checked for each type of service.

Service Recommendations

Youth Services: Not Applicable

Details

Description of why risk-reducing or strength-buffering services are not recommended for the Youth:

Narrative

Educational Services: Not Applicable

An Individualized Education Plan is in place or being recommended

Highest Grade Level Completed:

The youth's involvement does not necessitate a specific plan to ensure provision of educational services.

Parental/Current Caregiver Services: Not Applicable

The youth's involvement does not necessitate a specific plan for parents to participate in services.

5. The Placement Recommendations section fields will display differently based on a couple conditions.
 - a. If “Is it recommended that the Youth be placed out of home?” is Yes, then the Recommended placement Type (required) and Recommended Placement Type will be enabled. Other Out of Home Placement Information narratives will also display and be required. If No, they will both be disabled.
 - i. In both scenarios, if the youth have tribal membership, the ICWA/WICWA placement setting question and narrative will be displayed and required.

- ii. When the youth have tribal membership, this question is answered Yes, and any of the Current Offense(s) are 938.13(4), 938.13(6), 938.13(6m), and/or 938.13(7). The ICWA/WICWA tab will display and be required prior to approval.
- iii. If the ICWA/WICWA tab is displayed, the Statement of Active Efforts document will be included when the YJ Court Report is launched.

Narrative

6. The Conditions section is used to document the recommendation to the court for the youth.
 - a. Choose a period of 12 months or less or enter a date if longer than 12 months or an end date is known.
 - b. Worker and Supervisor will be prefilled but can be updated as needed to print on the YJ Court Report document.

Conditions

See Attached

The department recommends that the Youth be placed under **formal supervision** for a period of months or until

The Youth will partner with their case manager to develop a case plan that identifies goals and action steps, such as participating in services identified above, to address their assessed strengths and needs. If any other individualized conditions are recommended to support community safety and provide opportunities to repair any harm, they are listed below.

Worker: Supervisor:

Options:

- Actions
- Approval

The ICWA/WICWA tab displays all related ICWA/WICWA information to be completed when a youth is a member of a tribe, recommended for placement, and has any Current Offense(s) including are 938.13(4), 938.13(6), 938.13(6m), and/or 938.13(7).

1. The Tribal Information section moves from the Basic tab to the ICWA/WICWA tab when the tab is displayed. On this tab, “Does ICWA/WICWA apply?” will always be Yes. Always No if on the Basic tab.
 - a. The Tribes listed with membership will display from Person Management.
 - b. Click the [Modify](#) hyperlink to update Person Management if needed.
 - c. The ICWA/WICWA web page hyperlinks can be used for additional guidance along with the [Details](#) hover help.

Basic	ICWA/WICWA	Youth History	YASI	Recommendations
Tribal Information				
This Youth may be a Member or Eligible for Membership with the following Tribe(s) or Band(s):		Menominee		
Does ICWA/WICWA apply?		Yes		
Describe the due diligence in working with the relevant Tribe(s) to confirm if the Youth is a member or eligible for membership. Details				

Tribal membership status is determined by the tribe and is definitive, not advisory. Membership eligibility differs from tribe to tribe. In order for a tribe to determine eligibility, they need the following forms:

- Request for Confirmation of Child's Indian Status
- Screening for Child's Status as Indian
- Child's Biological Family History. This form should include previous generations, dating back to the last known tribal member.

In this section, describe your efforts to seek the Youth's membership status from their Tribe (s).

2. Complete all fields on the page, all are required for approval.
3. The ICWA/WICWA Active Efforts section will display on the Statement of Active Efforts document that automatically gets launched when the YJ Court Report document is selected. All fields are required prior to approval.
