Topic	Description																										
<p style="text-align: center;">Adoption and Foster Care Analysis and Reporting System (AFCARS)</p>	<p>In 2020, new Federal AFCARS Rules went into effect, and by October 2022, Wisconsin must report on the new AFCARS requirements. To capture the new data requirements, new and updated AFCARS fields display in eWiSACWIS for the final phase of changes with the October 2022 release. Changes include updates to the Access Participant, ICWA Record, Person Management, Out of Home Placement, and YJ Referral pages. Please see the associated topics below for details.</p>																										
	<p>43169: The AFCARS Exceptions page was replaced with a new AFCARS Errors page. The new AFCARS Errors page displays a list of all AFCARS foster and/or adoption errors that exist for the child. The allows workers to edit errors directly on the page, provides a link to the page where the error can be corrected, or provides instructions on how to correct the missing data.</p> <div data-bbox="472 743 1913 1507" style="border: 1px solid #0056b3; padding: 10px;"> <p>eWiSACWIS</p> <p>Child Information</p> <p>Child Name: <input type="text" value="Pancake, Banana Z.
