Additionally, the "End Date" field for a service was renamed to "Target End Date."</p> <p>The "Revise" option, which appears on qualifying (within 30 days of the Review/Hearing) Permanency Plans, allows for the "Title IV-E Prevention Clearinghouse Service" and "Service or treatment needs met by placement in setting certified as a QRTP" fields to be updated. The "Revise" option allows for goals ordered by the court to be updated on an approved Permanency Plan without creating a new Permanency Plan.</p>
