Entering AFCARS Data in eWiSACWIS

1. Introduction

State child welfare programs and those administering child welfare services are responsible for meeting federal reporting requirements associated with their Adoption and Foster Care Analysis and Reporting System (AFCARS).

This document will describe how and where each AFCARS data element is captured in eWiSACWIS.

Child was previously Adopted	#16	Indicates whether the child was Adopted prior to being placed in Out of Home care.
Age Adopted	#17	If Adopted, this field designates the child's age at time of adoption

* A person's race and ethnicity is determined by how he or she defines himself or herself or how others define him or her. In the case of a young child, parents determine the race of the child. Workers must ask clients this information and not make assumptions on which and how many races or whether the client is Hispanic or Latino or not. When a worker, rather than the client, makes this determination, he or she may be under-representing all possible races.

Out of Home Placement Page

eWiSACWIS Field	AFCARS Element	Definition
Removed From Home	#18 & 21	These fields mark the begin date of placement episode due to a court order or Voluntary Placement Agreement (VPA). Element #18 marks the child's very first removal from home due to a court order or VPA. Element #21 marks the child's most recent removal from home due to a court order or VPA.*
	#19	This is a computed field. It counts the total number of times the child has been removed and placed in Out of Home Care due to a court order or VPA.
Placement Begin	#23	This field marks the begin date of the child's most recent Out of Home Care placement setting
	#24	This is a computed field. It counts the total number of placement settings the child has been in since and including the placement shown in #21
Manner	#25	This indicates the removal manner (e.g., court order or VPA) at the time of the most recent removal from home
Placement Setting	#41	This indicates the child's current placement setting (Shelter, Foster Home, etc.)
Caretaker Structure	#44	This indicates the structure of the child's Caretaker at the time of most recent removal from home*
Primary Caretaker	#45	The date of birth for the child's primary caretaker is pulled from this person's Person Management record
Secondary Caretaker	#46	The date of birth for the child's secondary caretaker is pulled from this person's Person Management record

* To properly document a child's caretaker(s), a removal (Removed From Home) should not be created in a Pre-Adoptive Child case. Therefore, a removal should be documented in the case a child originated in prior to the Termination of Parental Rights.
