

Supervised Independent Living Placements

A Supervised Independent Living placement offers 17 to 21-year-olds, who are in court ordered out-of-home care (OHC) placement through the county, the ability to live in their own (or shared) apartment, flat, or room with supervision, support, and monitoring from a caseworker and/or provider from a contracted agency.

The county responsible for supervision of the youth maintains case management and any associated ongoing services for the duration of the court order. In addition, the county provides financial assistance when needed.

Supervisory contact with the youth can range from moderate (2-3 times a week based on stability of the youth and the length of time the youth has been involved in Supervised Independent Living) to intense (where daily contact with the youth is necessary for a successful placement).

The system function described below gives workers the ability to record a Supervised Living placement setting by using the Out of Home Placement page. Effective January 2014, youth who were in court ordered out-of-home care on their 18th birthday qualify for BadgerCare, plus up to their 26th birthday.

Note: If the county child welfare agency, BMCW, or contracted agency is not supervising a child's independent living placement, then the placement should not be documented in eWiSACWIS and the final placement prior to the independent living placement should be documented as a discharge.

The screenshot shows the 'Service' tab in the eWiSACWIS system. At the top, it displays 'Child: Aaron, Son (9228518)', 'Case Name: Aaron, Mother (9223516)', and 'Request Number:'. Below this, there are two tabs: 'Service' and 'Provider'. The 'Service' tab is active and contains several sections:

- Removal Address and Reasons:** A list of checkboxes for reasons for removal, including 'This is an Adoptive Placement', 'This is a CPS Non-Conforming Placement', 'This is an Emergency Situation', 'After Hours Placement', and 'Child is an American Indian child as defined by statute'.
- Supplemental Costs:** Fields for 'Exceptional Costs', 'Administrative Costs', 'Costs > Spending Limit', and 'Current Monthly Payment'.
- Child Removal From Home Information:** Fields for 'Manner', 'Primary Caretaker', 'Caretaker Structure', and 'Secondary Caretaker', each with a dropdown menu.
- Child Support Review:** A section with a 'Referral applies to:' dropdown (set to 'Both parents') and three questions with radio button options for 'Yes' and 'No':
 - 'Is this referral in the best interest of the child?' (Yes selected)
 - 'Is this placement expected to be long term?' (No selected)
 - 'Is the worker aware of a court order for child support OR is this otherwise an appropriate case to refer for child support services?' (Yes selected)

At the bottom, there is an 'Options:' dropdown, a 'Go' button, and 'Save' and 'Close' buttons. The browser window title is 'Out of Home Placement - Internet Explorer' and the page is labeled 'eWiSACWIS WAS9 Screenshot'.

Out of Home Placement Page > Service Tab (continued)

Step 3 of 4

- Select appropriate values for the Child Support Review questions. If the answers to the questions will trigger a referral to Child Support Review, the 'Referral applies to' field will appear and be enabled. eWiSACWIS allows the referral of a single parent with a system indicator that the other parent should not be referred. This will allow for one parent to be referred and the other to be held from the interface. There is an expectation that "good cause" drives the decision to refer one parent and not another.
