site.

 1. The applicant assures that these expenditures supplement but do not supplant federal or local funds expended for the same activities in the preceding fiscal year.
 2. According to s.115.3615, Head Start State Supplement grantees must be designated Federal Head Start grantees. Therefore, Head Start State Supplement grantees are required to report to DCF any voluntary, required, current, or pending loss of their federal Head Start grantee status. This notice must be submitted to DCF no later than 10 days after the receipt of notification from the federal or regional Head Start office. In order to comply with s. 115.3615, if a Head Start grantee loses their federal grantee status, they will lose their status as a WI Head Start State Supplement grantee. In the event that federal grantee designation changes during the funded state program year, the grantee will be reimbursed for any valid state budget claim incurred during the period of their operation as a federal/state grantee. All unexpended funds (whether encumbered or not) will need to be returned.
 3. The applicant will file financial reports and claims for reimbursement on a quarterly basis in accordance with procedures prescribed by the DCF.
 4. The applicant will claim percent of the state supplement for federal grant in kind. (Include a number between 0-80.) No more than 80 percent of this state application can be used.
 5. The Head Start grant recipient will either, provide data on children supported by the state supplement in their federal Program Information Report; and/or they have it available to provide it upon request.
 6. A copy of the current ACF/HHS Notice of Financial Award approval for our federal grant application is attached. Do not submit your entire federal application.
 7. In connection with performance of work under this contract, the contractor agrees not to discriminate against any employee or applicant for employment because of race, sex, religion, age, color, national origin, or handicapping condition. The aforesaid provision shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship. The contractor agrees to post notices where they are readily available to employees and employment applicants. The notices are to be provided by the contracting officer setting forth the provisions of the nondiscrimination clause. Furthermore, the State of Wisconsin, Department of Children and Families operates under an Affirmative Action Plan and under a merit employment system.
 8. The applicant will provide equal opportunities for individuals to participate in the project experiences in school and community settings regardless of age, sex, ethnic background, or disadvantaged, handicapped, or gifted status.
 9. No advances are available through this funding.
 10. The applicant assures that a single audit for the organization was submitted to the Audit Clearing House, if no audit was submitted, submit an electronic version of the audit and management letter. The financial audit summary and it's findings may be reviewed by DCF.
 11. The applicant has included an electronic copy of their most recently approved program schedule for all grants, including additional detail on Head Start State Supplement children. Supplement Program Schedule Example.
12. All State Supplement children receive programming that meets all Head Start Program Performance Standards.

13. The applicant assures that, they will provide requested information if chosen for random review of invoices.

14. The applicant has completed and submitted the DCF Grants Application Form (DCF-F-5403) that can be found on the DCF Grants
