

Safety and Emergency Response Documentation – Family Child Care Centers

Use of form: Use of this form is voluntary; however, completion of this form will meet the requirements of DCF 250.04(2)(a), 250.06(3), 250.06(4)(a) and 250.06(4)(b) of the Wisconsin Administrative Codes.

Instructions: The center representative shall enter the requested information when each item is completed.

Name – Family Child Care Center	Facility ID Number	Year
---------------------------------	--------------------	------

A. SMOKE DETECTOR / FIRE ALARM INSPECTION All fire alarms and smoke detectors shall be tested monthly. In the spaces below, enter the date, time and results of the inspection.

	JAN	FEB	MAR	APR	MAY	JUN	JUL	AUG	SEP	OCT	NOV	DEC
Date												
Time												
Results												

B. CARBON MONOXIDE DETECTOR INSPECTION Effective February 1, 2011, all one or two family dwellings are required to have a carbon monoxide detector in operating condition installed in the basement and on each level of the building excluding the attic and garage. The department recommends that all carbon monoxide detectors be tested according to the manufacturer's instructions. In the spaces below, enter the date, time and results of the inspection. Enter N/A if your CO units do not have a testing option available.

	JAN	FEB	MAR	APR	MAY	JUN	JUL	AUG	SEP	OCT	NOV	DEC
Date												
Time												
Results												

C. EMERGENCY DRILL PRACTICE Fire drills shall be conducted every month; tornado drills shall be conducted monthly from April through October. In the spaces below, enter the date and time of the drill (in the Date and Time fields) and the time it took to evacuate to the area designated in the center's written plan (in the Drill Time fields). Note: The recommended exit time is 2 minutes maximum.

D. FIRE EXTINGUISHER INSPECTION Fire extinguishers shall be inspected annually. In the space provided below, record the date of inspection. Note: It is recommended that the extinguisher be inspected by a professional.

Date of the annual inspection: _____

E. VEHICLE SAFETY ALARM INSPECTION Effective August 1, 2009, all vehicles with a manufacturer's seating capacity of 6 or more passengers in addition to the driver that are used to transport children in care shall be equipped with a vehicle safety alarm. A person who is required to have a child safety alarm installed must ensure that the alarm is properly maintained and in good working order each time the child care vehicle is used for transporting children. In addition to the inspection by the driver, the department recommends that all vehicle safety alarms be tested monthly by the licensee. In the spaces provided below, enter the date, time and results of the test.
