Note: Under s. 48.65 (1), Wisconsin Statutes, if a provider takes care of 4 or more children under the age of 7 who are not related to the provider, for compensation, the provider must obtain a license to operate a child care center from the Department of Children and Families.
Parent Checklist

Check “Yes” if the statement is true; check “No” if the statement is not true. If you find statements that are not true, please discuss these with the certified provider or contact the certification agency in your county / tribe.

Home Safety

Yes  No
☐   ☐  A working carbon monoxide detector is installed in the basement and on each level of the home excluding the attic and garage.
☐   ☐  A working smoke detector is installed on each floor / level of the home.
☐   ☐  All exits are free from obstruction.
☐   ☐  All areas used for child care have adequate and safe heat, light and ventilation.
☐   ☐  The home is free of hazards. Firearms and ammunition materials are locked and stored in separate locked areas that are inaccessible to children.
☐   ☐  Outdoor play areas are free of hazards and are fenced or the provider has taken special measures to ensure the safety of the children. Pools, hot tubs and large trampolines are inaccessible for child care children and are not used during the hours of child care. Wading pools, if used, are emptied and disinfected daily.
☐   ☐  Pets that are kept in the home are tolerant of children and vaccinated against rabies.
☐   ☐  The home must have a working phone. Emergency phone numbers are posted by each telephone. Phone numbers on this list include: 911, police, poison control center, child protective services, and emergency medical care. If a cell phone is used as a primary phone, it is operational during hours of child care.
☐   ☐  The home is clean, uncluttered and free of insects and rodents. Bathrooms, including toilets, sinks and potty chairs are clean and in good working condition. Medications and other potentially hazardous products are not stored in the bathroom.
☐   ☐  The well water is tested and found to be bacteriologically safe and to have safe nitrate levels by a certified laboratory every two years (applies to providers with private wells).
☐   ☐  Children do not share cups, eating utensils, washcloths or towels.
☐   ☐  No one is allowed to smoke in any indoor or outdoor area in which child care children are present.
☐   ☐  Areas, equipment and utensils for food preparation, serving and clean-up are clean and sanitary.

Supervision

Yes  No
☐   ☐  The provider keeps a written record of the daily hours of attendance of each child in care.
☐   ☐  All visitors and members of the provider’s household are in good physical and mental health that will not bring harm to the health and well-being of the children in care. No person is in contact with child care children who have symptoms of illness or of a communicable disease that may be transmitted through normal contact.
☐   ☐  Certified providers are allowed to care for children up to 16 hours in any 24-hour period.
☐   ☐  Each child has adult supervision at all times. Any substitute shall be at least 18 years of age, physically and emotionally able to provide responsible child care and approved by the certification agency.
☐   ☐  The child care provider is awake whenever the children are awake and the provider is not engaged in any other activity or occupation during the hours of operation that interferes with the care and supervision of children.
☐   ☐  The certified child care operator has a designated adult who can provide assistance in the event of an unexpected emergency. The emergency back-up child care provider is at least 18 years of age and can provide an acceptable level of child care.

Group Size

Yes  No
☐   ☐  The provider is caring for no more than three non-relatives under seven years old. Note: When four or more children not related to the provider under seven years old are cared for at one time, a license is required.
☐   ☐  The provider cares for children in accordance with the group size and age limitations per state requirements.

Activities and Equipment

Yes  No
☐   ☐  The provider offers children a variety of activities including active and quiet play, and indoor and outdoor activities, including infants and toddlers.
☐   ☐  The provider reads to the children at least 15 minutes daily.
☐   ☐  The provider offers play activities that enhance creativity, language development, use of large and small motor skills, and imagination.
☐   ☐  Indoor and outdoor areas used for child care have sufficient space for play and for activities which meet the developmental needs of the children in care.
☐   ☐  Provider has a variety of age-appropriate and developmentally appropriate equipment and toys. Indoor play equipment allows each child a choice of at least 3 activities when all children are using equipment at the same time. Outdoor equipment allows each child at least one activity when all children are using the equipment at the same time.
☐   ☐  Television viewing is used only to supplement regular activities and no child is required to watch television.
Provider Interaction with Children

Yes ☐ No ☐

☐ ☐ The provider does not hit, spank, shake or inflict any other form of corporal punishment on the child, or use any discipline which is frightening to the child.

☐ ☐ The provider is using positive guidance and redirection for the children and helps each child develop self-control, self-esteem, and respect for the rights of others. The provider is not using time-outs that exceed 5 minutes.

☐ ☐ The provider will not verbally abuse or threaten a child or make derogatory remarks about the child or the child’s family.

Infant / Toddler Care

Yes ☐ No ☐

☐ ☐ The provider responds promptly to a crying infant or toddler's needs and provides physical contact and attention to each infant and toddler throughout the day, including holding, rocking, talking to, singing to, and taking on walks inside and outside the home.

☐ ☐ The provider (and any substitutes, assistants and volunteers) has taken training on Sudden Infant Death Syndrome (SIDS) and Shaken Baby Syndrome (SBS) prevention. SIDS applies to providers who care for infants under age 12 months; SBS applies to providers who care for children under age 5 years.

☐ ☐ The provider changes the position and location of a non-walking child who is awake.

☐ ☐ Diapers are changed on an easily cleanable surface that is cleaned and disinfected after each use.

Nutrition

Yes ☐ No ☐

☐ ☐ The provider ensures that each child receives proper nourishment while in care. A meal or a snack is served at least every three hours. Each child in attendance for 4 or more hours is served a meal which consists of a protein food, fruit and vegetable, a cereal or bread product and pasteurized grade A vitamin D milk. If the parents provide the food, the provider must make sure that the child receives all food categories listed above at every meal.

☐ ☐ The provider makes sure that the children wash their hands prior to eating and after toileting.

Rest

Yes ☐ No ☐

☐ ☐ Each child has a clean, safe, quiet area to rest or nap. A safe crib or a playpen is available for children under age one.

Transportation – if provided

Yes ☐ No ☐

☐ ☐ If the provider's vehicle has a seating capacity of 6 or more passengers plus the driver, the vehicle is equipped with a child safety alarm.

☐ ☐ Each child is seated and properly restrained in a car seat or seat belt when transported. I have signed written permission to transport my child.

☐ ☐ The children are not left unattended in a motor vehicle.

☐ ☐ The provider maintains vehicle liability insurance when transportation is provided.

Provider and Parent Communication

Yes ☐ No ☐

☐ ☐ Parents are allowed to visit and observe the program of care during any hours care is provided.

☐ ☐ The provider informs me of any disciplinary action taken or any injury to my child that occurred during child care hours.

☐ ☐ The provider has informed me whether or not the premises are covered by a child care liability insurance policy.

☐ ☐ The child care provider is required by law to report suspected child abuse to the county/tribal social or human services department, or the police if the child is in immediate danger.

Please review, sign the form, and return it to the provider. The provider has given a copy of this document to the parent.
