

Exhibit 2: Performance Monitoring Plan

Treatment Foster Care Contract with the Division of Milwaukee Child Protective Services (DMCPS)

Contract Period: January 1, 2026 – December 31, 2026

Performance Monitoring

The Contractor will utilize a shared document to report the number of licensed homes, beds available and beds unavailable monthly. The same document will be used by the contractor to record the measures below.

Goal 1: Children placed in TFC homes will have treatment needs that require services beyond the scope of general foster care		
Measure	Reporting Frequency	Report Method
No more than 20% of placements will be children with a CANS score less than 3.	Quarterly	Manual
Goal 2: Children placed in TFC homes will have placement stability		
Measure	Reporting Frequency	Report Type
No more than 25% of placement changes will be a result of a 15 day notice or emergency removals	Quarterly	Manual
Goal 3: TFC agencies will license families that are able to meet the needs of children that require out-of-home placements		
Measure	Reporting Frequency	Report Type
More than 50% of available beds will be utilized	Quarterly	Manual
