Requesting Records

Records may be requested in writing, electronically, orally, or in person. Requests should be directed to DCF in writing to Margaret McMahon, DCF Records Custodian, at 201 W. Washington Avenue, Madison, WI 53703; by email to DCFRecordsRequest@wisconsin.gov; by fax to (608) 422-7161; by calling 608-422-7060 to make a verbal request or leave a voicemail request; or by calling (608) 225-4158 to make arrangements for someone to meet you in person at 201 W. Receiving Records

DCF gives public records requests high priority and provides requested records as soon as practicable and without delay. A reasonable time for response to a specific public record request depends on the

nature of the request, the staff and other resources available to process the request, the extent of the request, and whether confidential material contained in the responsive records must be redacted.

Fees

The fees that may be charged for responding to public records requests are set by statute. See Wis. Stat. § 19.35(3).

When the total estimated cost for locating, copying, and shipping exceeds \$5.00, DCF may require pre-payment. Wis. Stat. § 19.35(3)(f).
