Know the Rules

- Keep your MyWIChildCare card, card number, and Personal Identification Number (PIN) confidential – do not share them with anyone.
- Never let anyone else use your MyWIChildCare card to make a payment for you – this includes your child care provider.
- Notify your local child care agency within 10 calendar days of any change required by Wisconsin Shares policy, including but not limited to:
  - A new home address
  - A change in income
  - A loss of a job
  - A change in the size of your household
  - A change in marital status
  - A change in child care need
- If your child stops attending your current provider for any length of time, you must report this to your local Wisconsin Shares agency within 10 calendar days.
- Your monthly funds load on the first day of the month and are intended for child care services for that month, for the assigned child.

If You Overpay Your Provider
Your provider cannot give you cash back from your MyWIChildCare card. Contact your local Wisconsin Shares agency if you used your MyWIChildCare card to pay your provider more than you owe for any reason.

If You Pay the Wrong Provider
Contact your local Wisconsin Shares agency immediately. You may be responsible for paying that money back. To prevent this, always confirm whom you are paying and how much you are paying.

Penalties
If you are found to have intentionally violated the program rules, your child care subsidy may be suspended and you may be required to pay back the funds.

Payment Disputes
Payment disagreements are to be resolved between you and your child care provider. Take precautions by:
- Always getting a receipt for every payment you make.
- Knowing what you are paying for and the period of time it covers.
- Communicating openly and regularly with your provider to prevent disagreements.

Questions to Ask Your Child Care Provider
- What is my total cost for child care?
- What is my out-of-pocket cost?
- What time of the month am I billed—weekly, biweekly, or monthly?
- What date do I need to pay my bill?
- Are receipts available when I make a payment?
- Do you have a payment agreement or contract?
- Would you like to be paid by phone, online, or in person?
- What’s your policy for absences?
- What is your policy for children who are sick?
- What are your policies on child behavior?
- What are your business hours?
