REQUIRED ITEMS FOR FAMILY CHILD CARE CENTERS

A. Items to be Kept in Children’s Files

1. The licensee shall maintain a current written record at the center on each child enrolled including the provider’s own children under age 7 and shall make the record available to the licensing representative on request. [250.04(6)(a)]

   **Note:** The required records must be maintained for the length of time the child is enrolled. The department recommends that the date of discharge be added to the child’s record, and that the center retain records for 3 years after a child is discharged.

2. Completed Child Care Enrollment form. The enrollment form shall be on file prior to the child’s first day of attendance. [250.04(6)(a)1.]

   **Note:** The enrollment form should include information for both parents, if applicable. If parental access is denied, the center must have a current copy of the court order on file at the center.

3. Completed Health History and Emergency Care Plan form. The health history form shall be on file prior to the child’s first day of attendance. [250.04(6)(a)1.]

4. Parental authorization for the child to participate in and be transported for field trips and other activities if these are part of the program. [250.04(6)(a)2.; 250.08(2)]

   **Note:** If the field trip authorization is checked on the form Child Care Enrollment, nothing additional is required. The Field Trip or Other Activity Notification / Permission – Child Care Centers form may also be used for this requirement.

5. A written agreement, signed by the parent, outlining the plan for a child to come to the center from school, home, or other activities and to go from the center to school, home, or other activities unless the child is accompanied by a parent or other authorized person or the child is transported by the center. [250.04(6)(a)3.]

   **Note:** The department’s Alternate Arrival/Release Agreement – Child Care Centers form may be used for this requirement.

6. Documentation of the results of the most recent physical exam (required every 6 months for children under 2 years of age and every 2 years for children at least 2 years of age but under 5 years; children 5 years of age and above are not required to have a health exam). [250.04(6)(a)4.]

   **Note:** The Child Health Report – Child Care Centers form, signed and dated by an approved health care provider, or an electronic printout from a child’s licensed physician, physician assistant, or EPSDT provider may be used for this requirement.

7. Written permission from the parents under s. DCF 250.07(6)(k) for medical attention to be sought for the child if the child is injured. [250.04(6)(a)5.]

   **Note:** If the emergency medical care authorization is checked on the Child Care Enrollment form, nothing additional is required.

8. Documentation that each child’s immunization history is in compliance with s. 252.04, Stats., and ch. DHS 144. [250.04(6)(a)4m.]

   **Note:** The Department of Health Services’ form Child Care Immunization Record or an electronic printout from the Wisconsin Immunization Registry or other registry maintained by a health care provider may be used for this requirement. Under s. 252.04, Wis. Stats., and ch. DHS 144, the immunization record must be on file no later than 30 school days (6 calendar weeks) after the first day of a child’s attendance.

9. Written parental consent to discuss or disclose personal information regarding the children and facts learned about the children and their relatives if the center will work with an agency assisting in planning for the child. [250.04(7)(b)1.b.]

10. Written authorization from the child’s physician if the child is on a special diet based on a medical condition, excluding food allergies, but including nutrient concentrates and supplements. [250.06(9)(m)]

11. Written request from the parent if the child is on a special diet based on a food allergy. [250.06(9)(n)]

12. Completed Authorization to Administer Medication form, dated and signed by the parent if the center will administer prescription or non-prescription medication. A written authorization from the parent is required for each medication and is time limited. Authorizations that exceed the period of time specified on the label are prohibited. Blanket authorizations are not allowed for non-prescription pain relievers, cough and cold remedies, etc. and may not be pre-signed by parents. The medication authorization must be time specific and follow the guidelines given on the medication container. [250.07(6)(f)1.a.]
13. Written authorization from the parent to apply sunscreen or insect repellant. Authorization shall include the brand and ingredient strength. Authorizations shall be reviewed periodically and updated as necessary. **Note:** The department recommends they be reviewed at least every 6 months. [250.07(6)(h)6.]

14. Written acknowledgement from the parent that they are aware of the presence of pets and animals in the center if pets and animals are allowed to roam in areas of the center occupied by children. [250.07(7)(c)]

15. Completed **Intake for Child Under 2 Years – Child Care Centers** form for each child under 2 years of age. The information shall be at the center before the child is left for care on the child’s first day of attendance, and the provider and the child’s parents shall periodically discuss the child’s development and routines. [250.09(1)(c)1.]

**Note:** Although written evidence of the periodic discussions is not required, the department recommends documenting the updates on the intake form every 3 months for infants and every 6 months for toddlers.

16. Written authorization from child’s physician if a child under 1 year of age is to be put to sleep in a position other than on his or her back in a crib. [250.09(2)(c)]

17. Written authorization from the child’s physician if an infant or toddler must be provided with another type of milk or milk substitute other than formula or breast milk. [250.09(3)(e)]

**Notes:**

- If parental access is prohibited or restricted by court order, the center must have a copy of the court order on file.
- If children who are five years of age and older sleep at the parent’s request, it is recommended that the parent's request for a nap period be written and kept in the child’s file.

**B. Items to be Kept in Staff Files**

1. The licensee shall maintain a file for each provider, employee, volunteer, or substitute and shall make the file immediately available for review by the licensing representative. [250.05(2)]

**Note:** If the licensee is a provider, a file is required.

2. Completed **Staff Record – Child Care Centers** form. [250.05(2)(a)]

3. Documentation from the department, either paper or electronic, that indicates a child care background check was completed in compliance with timelines and requirements specified in s. 48.686, Stats., and ch. DCF 13, and the person is eligible to work in a child care program. [250.05(2)(b)]

**Note:** The Preliminary Eligibility Determination and/or the Final Eligibility Determination notices are the documentation accepted as the results of a complete child care background check after 9/30/2018.

4. Documentation of the actual hours a provider, substitute, employee, or volunteer worked if the hours were used to meet the applicable staff-to-child ratio under Table DCF 250.055. [250.05(2)(c)]

5. A physical examination report completed within 12 months before or 30 days after the person became licensed or began working with children in care. The physical examination report may be a printout of an electronic record from a medical professional or on the **Staff Health Report – Child Care Centers** form. The report shall be dated and signed by a licensed physician, physician assistant, or other EPSDT provider and shall indicate the person is free from illness detrimental to children, include tuberculosis, and the person is physically able to work with young children. [250.05(2)(d)]

6. The Registry certificate for persons licensed or beginning work with children on or after January 1, 2009. [250.05(2)(e)]

**Note:** The Registry certificate is required within 6 months of becoming licensed or beginning to work with children in care. If the Registry certificate is not required, then a. and b. must be in the file.

- Documentation of the entry-level training required under DCF 250.05(3)(b).
- Documentation of the training required under 250.05(3)(g) in shaken baby syndrome/abusive head trauma prevention if the center is licensed to care for children under 5 years of age.

7. Documentation of the continuing education required under s. DCF 250.05 (4) (c) [250.05(2)(f)]

**Note:** The form **Staff Continuing Education Record – Child Care Centers** may be used to help document completion of this requirement.

- 15 hours of continuing education in any of the topics specified in 250.05 (4)(c)1.
- Current certificate of completion for infant and child cardiopulmonary resuscitation (CPR) (must be obtained within 3 months of licensure or date of hire and kept current). [250.05(3)(e)1. & 2.]
