

Welcome, New Neighbors!

Your friends at PBS Wisconsin are excited to welcome you to your new home. As you settle in, we are happy to provide free access to videos, games, and other educational materials from PBS KIDS, the most trusted educational media company for children.

PBS Wisconsin is a statewide public service that provides television programming and educational content for everyone. PBS Wisconsin distributes PBS KIDS content to help children ages 2 through 8 learn literacy, science, math, and healthy lifestyle skills through high-quality programs, activities, and games. You may already know some shows, like Sesame Street, Molly of Denali, or Daniel Tiger.

You can watch on PBS Wisconsin's PBS KIDS broadcast television channel, and access the content at pbswisconsin.org or the free PBS KIDS app. You can watch programs for free on Smart TVs, Roku, and other streaming devices. The smiles on the PBS KIDS characters' faces can bring children joy and comfort everywhere. We wish you many happy hours of playing and learning with PBS KIDS.

Welcome home.
