V. SUBCONTRACTS

A. Procurement of Subcontracts

The County may Subcontract all or part of this Agreement. The County must comply with all applicable State and Federal laws, and all County procurement policies and procedures in subcontracting for services. DCF may withhold approval of a Subcontractor if DCF has reason to believe that the intended Subcontractor will not be a responsible Subcontractor in terms of fiduciary viability, services provided and/or costs billed. DCF shall provide to the County written notice of reason for the disallowance.

B. County Responsibility

The County is responsible for fulfillment of all terms and conditions of this Contract when it enters into subcontract agreements and will be subject to enforcement of the terms and conditions of this Contract, including all disallowances, penalties, sanctions and remedial measures related to Subcontractor non-compliance. It is the responsibility of the County to ensure that the Subcontractor complies with all laws and rules regarding Civil Rights Compliance and Affirmative Action.

C. Minority Business Subcontractors

The Wisconsin Department of Children and Families is committed to the promotion of minority businesses in the State's purchasing program. Authority for this program is found in Wisconsin Statutes 15.107(2), 16.75(3m), and 16.755.

The County is urged to further this policy by establishing Subcontracts with State-certified Minority Business Enterprises (MBE) and/or by using such enterprises to provide goods and services incidental to this Contract (second-tier suppliers). An MBE means a business certified, or certifiable, by the Wisconsin Department of Administration under Statute 16.75(3m)(b)(1).

VI. SCOPE OF SERVICES

The County will provide services in accordance with this Contract. Specific program requirements are included as **Exhibit 1: Scope of Services**.

VII. **BILLING AND PAYMENT TERMS**

Expenditure reports must be submitted monthly by the 23rd day of the month. Reimbursement for services will be made quarterly.

A. **Payment Terms**

The Department shall reimburse the Contractor for the functions it performs and services it provides or purchases as set forth in **Exhibit 1: Scope of Services**. Payments by the Department under this Contract are contingent upon: (a) substantial compliance by the Contractor of all responsibilities identified in this Contract, and in accordance with State and Federal laws; (b) authorization of Wisconsin and Federal laws and availability of State and Federal funds; and (c) approval of cost allocation plans, and (d) approval of equipment over \$5000 by DCF.

1. **Allowable Costs**

The Department will make payments for costs that are consistent with the [DCF Allowable Cost Policy Manual](#) and applicable Federal allowable cost policies. Program expenditures and descriptions of allowable costs are further described in 2 CFR Part 200. See Office of Management and Budget website for links to Code of Federal Regulations (CFR) sections: <https://federalregister.gov/a/2013-30465>

2. **Expenditure Report**

Claims for reimbursement must be submitted electronically to DCFDESFinanceGrants@wisconsin.gov pursuant to the requirements of the Department's cost reporting system. The electronic expenditure report form is available at <http://dcfcore.wisconsin.gov/coreforms/default.htm>.

The Expenditure Report must be submitted to DCF by close of business (4:30 pm CT) on or before the 23rd day of the month following the month for which reimbursement is being claimed. The Department will issue the reimbursement using direct deposit on a quarterly basis, subject to reduction, recovery and reimbursement as provided in this Agreement. Late reports will be processed in the next month's payment cycle.

If the 23rd day of the month and/or the last day of the month fall on a non-business day (per the State of Wisconsin calendar), the Expenditure Report due date and/or reimbursement date become the next business day. The payment schedule is available on the CORe website: http://dcfcore.wisconsin.gov/resources/payment_schedule.htm

3. **Reimbursement**

For all claims submitted timely, the Department will promptly issue the reimbursement by direct deposit on a quarterly basis. Said reimbursements are subject to reduction and/or recovery as provided in this Agreement. Late expenditure reports will be processed in the next payment cycle unless permission to process funds early is mutually agreed upon by the County and the Department, and at a date convenient to the Department, but not later than at the next payment cycle.

DCF requires all grants to be paid through an **Automatic Clearing House** (direct deposit). ACH payments will be deposited into your agency's account according to your agency's Contract terms. To begin receiving ACH payment, complete the ACH Set-Up form available online <http://dcfcore.wisconsin.gov/coreforms/default.htm> sign and submit to the address on the form.

Total net reimbursement to the Contractor for allowable expenses shall not exceed the contracted amounts specified in to the funding allocation tables on P.2 of this Contract, excluding FFP or other non-State funds. Net reimbursements under this Contract may be adjusted for other amounts owed the Department as described in VII.B.

The Department may increase or reduce payments pursuant to State or Federal audits

4. Complete Expenditure Reports

The Department cannot pay Expenditure Reports that are incomplete. Expenditure Reports that do not contain all materially required information will be returned to the agency to be completed and resubmitted. Resubmitted claims will be paid with the next regular payment cycle. Late expenditure reports will be processed in the next payment cycle unless permission to process funds early is mutually agreed upon by the County and the Department, and at a date convenient to the Department, but not later than at the next payment cycle. It is important to fill in all fields, with the CORe Agency Number and the Reporting Period: both month and year, being the most critical. See form details for appropriate file naming conventions.

5. Final Expenditure Report

The County shall submit all claims for reimbursement under this Agreement to the Department within ninety (90) days of the end of the Contract period, unless a different date is mutually agreed upon by the County and the Department as specified. Expenses incurred within the Agreement period and reported later than ninety (90) days will not be recognized, allowed or reimbursed under the terms of this Agreement, unless a different date is mutually agreed upon by the County and the Department as specified. If allowable under Federal law, the Department will not unreasonably withhold approval for expenditures eligible for Federal financial participation.

6. Additional Claims Related to the Single Audit

Claims for allowable costs not reported within ninety (90) days of the end of the Contract period, or within the extended Contract period if an extension is granted, will be submitted for Federal reimbursement if (a) the costs are identified as a finding in the Contractor's Single Audit, and (b) the Contractor's Single Audit report is received within the mandated timeframes. Federal reimbursement received will be passed on to the Contractor as a part of the audit resolution process.

If the single audit results in funds being owed to either party, the amount of funds owed may be either paid in the next payment cycle, or adjusted from the following year's allocations, as mutually agreed upon by the County and the Department. If the single audit results in both parties being owed funds, those funds shall be summed and offset to result in a one-way net adjustment and would be subject to repayment as identified above.

7. Excess / Overpayments

The Contractor will return to DCF any funds paid in excess of the allowable costs of services provided under this agreement within thirty (30) days of notification by DCF. Allowable costs are defined by OMB Federal Awards Requirements, 2 CFR Subpart E § 200.400, the attachment(s) to this agreement, and/or the program policy manual. If the Contractor fails to return funds paid in excess of the allowable costs of the services provided, DCF may recover any funds paid in excess of the conditions of this agreement from subsequent payments or may recover such funds by any legal means.

B. Withholding, Deduction/Reduction, and Recovery of Funds

The Department shall have the right to withhold deduct, reduce, and/or recover payments due under the terms of the Contract if the County fails to provide services consistent with this Contract; or if the Department reasonably determines it to be necessary to protect the Department against potential losses or liabilities attributable to the County, including potential Federal disallowances or sanctions. The Department may recover payments pursuant to State or Federal audits.

1. Withholding

The payments to be withheld will be in an amount the Department determines necessary to cause the County to correct its failures, or to protect the Department against potential losses or liabilities, and such amount will be withheld until the failure to provide the services or meet the Contract provision is cured or until the potential loss or liability ceases. The Department will withhold funds pursuant to this subsection only after the Department has given notice to withhold funds.

2. Deduction/Reduction of Funds

The Department makes payments only for services that are actually provided and that meet the terms and conditions of this Contract. Except as stated in **Exhibit 1: Scope of Services**, the Department shall have the right to deduct the amounts being withheld from its financial obligations to the County if the County has not yet cured its failures or caused the potential losses or liabilities to cease. In addition, the Department shall have the right to deduct amounts equal to an amount imposed against the Department as a Federal disallowance or sanction that is attributable to the County's performance or failure to perform, misuse of funds, or non-compliance with the Contract.

The Department shall have the right to deduct any amounts due the Department from the County from money otherwise payable to the County for any other reason specifically provided under this Contract except as stated in **Exhibit 1: Scope of Services**.

In situations where appropriate DCF reserves the right to reduce the total amount of the Contract award due to significant under-spending by the County. All such Contract award reductions will become effective upon thirty (30) days written notice to the County and shall not relieve the County of any programmatic requirements.

3. Recovery of Funds

The Department reserves the right to recover funds that are owed by either:

- a. Requesting repayment from the County using a mutually agreed upon schedule, or
- b. Reducing future disbursements to the County by an amount equal to what is owed. The Department may adjust subsequent claims for reimbursement by any audit exception or non-compliance exception up to the amount of the exception.

CERTIFICATION REGARDING DEBARMENT AND SUSPENSION INSTRUCTIONS

By signing and submitting this proposal, the prospective primary participant is providing the certification set out below.

1. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the Department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
2. The certification in this clause is a material representation of fact upon which reliance was placed when the Department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the Department or agency may terminate this transaction for cause or default.
3. The prospective primary participant shall provide immediate written notice to the Department or agency to which this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. You may contact the Department or agency to which this proposal is being submitted for assistance in obtaining a copy of those regulations.
5. The prospective primary participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under [2 CFR Part 180](#), debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the Department or agency entering into this transaction.
6. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction," provided by the Department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under [2 CFR Part 180](#), debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Non-procurement Programs.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under [2 CFR Part 180](#), suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the Department or agency may terminate this transaction for cause or default.

CERTIFICATION REGARDING DEBARMENT AND SUSPENSION
