I. PARTIES TO THE CONTRACT

This agreement, hereinafter referred to as the "Contract," shall be between the Wisconsin Department of Children and Families, hereinafter referred to as "The Department" or "DCF," and the named County listed on page 1 of this contract, hereinafter referred to as "County" for the procurement of services, according to the terms set forth in this Contract.

II. DEFINITIONS

Contract Addendum. An addition to the Contract that is attached after both parties have signed the Contract. An addendum requires the signature of both parties or their designees.

Contract Amendment. A change made to a Contract by adding, subtracting or substituting terms and/or conditions. An amendment may or may not require the signature of both parties or their designees, as outlined in Section IV, below. Contract amendments must be made in consultation with the County Contract Committee as designated by the Wisconsin Child Support Enforcement Association (WCSEA).

Contract Supplement. A signed memorandum from the Department that notifies the County of increases or decreases to funding or time extensions in the Contract. A Contract Supplement requires the signature of the Department but does not require the signature of the County.

Day. All Contract references mean calendar days unless otherwise provided. Calculation shall be as defined in Wis. Stats. 801.15(1).

Single Statewide Point of Contact. The Wisconsin Child Support Enforcement Association (WCSEA) shall serve as the Single Statewide Point of Contact under this Contract to advise the Department on issues related to implementation of programs and services under this Contract. All communication regarding this Contract shall be sent through the WCSEA President or their respective designee.

III. TERM OF CONTRACT

Contract term is 01/01/202X through 12/31/202X.

IV. EXECUTED CONTRACT TO CONSTITUTE ENTIRE AGREEMENT

The Parties shall perform the duties and responsibilities specified in this Contract in accordance with State and Federal statutes; State administrative rules; Federal regulations; and controlling court cases in effect during the term of this Contract.

This Contract and supporting written communications constitute the entire agreement between the parties. The hierarchy of documents in order for resolution is as follows:

- A. Laws, regulations and policies of the State and Federal government;
- B. [HHS Administration for Children & Families General Terms and Conditions](#)
- C. This Contract, including all exhibits, attachments, appendices and addenda to the Contract.

Any conflict in terms shall be governed by the highest listed document.

Programmatic or Funding Changes. DCF agrees to provide advance notice to WCSEA under the following circumstances:

1. Significant reduction in the monies available affecting the substance of this Contract; or

2. Changes required by court action, or by changes to Federal law, State law, or regulations that substantially change the type of services delivered under this Contract; or,
3. Implementation of any new program or policy initiative that is not specifically mandated by Federal or State laws, rules or regulations, subject to any limitation contained in the Scope of Services. Whenever possible, DCF will give advance notice and provide a 45-day period of time for WCSEA to comment on the change before the change takes effect. WCSEA may request a meeting with the program division during the 45-day review period to discuss concerns with the program change. DCF is required to hold a meeting within the 45-day period.
The Department may execute a Contract addendum, amendment, or supplement for any new programs or initiatives, subject to any limitation contained in the Scope of Services, or to distribute additional available funding.

V. **SUBCONTRACTS**

A. **Procurement of Subcontracts**

The County may Subcontract all or part of this Agreement. The County must comply with all applicable State and Federal laws, and all County procurement policies and procedures in sub-contracting for services. DCF may withhold approval of a Subcontractor if DCF has reason to believe that the intended Subcontractor will not be a responsible Subcontractor in terms of fiduciary viability, services provided and/or costs billed. DCF shall provide to the County written notice of reason for the disallowance.

B. **County Responsibility**

The County is responsible for fulfillment of all terms and conditions of this Contract when it enters into Sub-Contract agreements and will be subject to enforcement of the terms and conditions of this Contract, including all disallowances, penalties, sanctions and remedial measures related to Subcontractor non-compliance. It is the responsibility of the County to ensure that the Subcontractor complies with all laws and rules regarding Civil Rights Compliance and Affirmative Action. The County is also responsible for sub-recipient monitoring of Subcontractors per 45 CFR Part 75.

C. **Minority Business Subcontractors**

The Wisconsin Department of Children and Families is committed to the promotion of minority businesses in the State's purchasing program. Authority for this program is found in Wisconsin Statutes 15.107(2), 16.75(3m), and 16.755.

County is urged to further this policy by establishing Subcontracts with State-certified Minority Business Enterprises (MBE) and/or by using such enterprises to provide goods and services incidental to this Contract (second-tier suppliers). An MBE means a business certified, or certifiable, by the Wisconsin Department of Administration under Statute 16.75(3m)(b)(1).

A listing of State of Wisconsin certified minority businesses, as well as the services and commodities they provide, is on the State-of Wisconsin Department of Administration Supplier Diversity website: [Supplier Diversity](#)

D. **INDEPENDENT CAPACITY OF CONTRACTOR**

The parties hereto agree that the contractor, its officers, agents, and employees, in the performance of this agreement shall act in the capacity of an independent contractor and not as an officer, employee, or agent of the state. The contractor agrees to take such steps as may be necessary to ensure that each subcontractor of the contractor will be deemed to be an independent contractor and will not be considered or permitted to be an agent, servant, joint venturer, or partner of the state.

VI. SCOPE OF SERVICES

The County will provide services in accordance with this Contract. Specific program requirements are included as **Exhibit 1: Scope of Services**.

A. Provision of Services

The County shall provide the services in accordance with applicable legal requirements and according to the terms of this Contract. DCF may inspect, observe and examine the performance of the County's services at reasonable times, with reasonable notice, at any location.

If any part of the services rendered by the County, its personnel or its contractors in any way differ from the Contract requirements for any reason other than as a result of DCF's default or negligence, the County shall at its own expense reschedule and perform the work correctly within a reasonable time. This remedy shall be in addition to any other remedies available to DCF by law or in equity.

B. Contractor Personnel

It is DCF's expectation that the County or their contractors, if applicable, are responsible for provision of all staff needs to perform the services. Those include, but are not limited to space, equipment, software, connectivity, supplies, email, and phone. DCF will not provide any such items unless specified in the Scope of Work exhibit of this contract.

In the event County staff or their contractors must conduct business at DCF facilities, they must act in a professional, ethical manner. DCF reserves the right to refuse to admit to DCF's premises any person employed or contracted by the County whose admission in the opinion of DCF would be disruptive to operations.

C. Background or Criminal History Investigation

DCF reserves the right, upon reasonable advance notice to the County, to request the County conduct background checks on any County personnel or their contractor personnel that will have access to case information.

D. Performance

Work under this Contract shall be performed in a timely, professional and diligent manner in accordance with applicable legal requirements. The County shall be solely responsible for controlling the manner and means by which it and its personnel or its contractors perform the services.

Without limiting the foregoing, the County shall control the manner and means of the services so as to perform the work in a reasonably safe manner and comply fully with all applicable codes, regulations and requirements imposed or enforced by any government agencies. Notwithstanding the foregoing, any stricter standard provided in plans, specifications or other documents incorporated as part of this Contract shall govern.

VII. BILLING AND PAYMENT TERMS

Claims for reimbursement must be submitted monthly by the 23rd day of the month. Reimbursement for services will be paid quarterly. The State of Wisconsin and its agencies are exempt from payment of all federal tax and Wisconsin state and local taxes on its purchases except Wisconsin excise taxes as described below. The State of Wisconsin, including all its agencies, is required to pay the Wisconsin excise or occupation tax on its purchase of beer, liquor, wine, cigarettes, tobacco products, motor vehicle fuel and general aviation fuel. However, it is exempt from payment of Wisconsin sales or use tax on its purchases. The State of Wisconsin may be subject to other states' taxes on its purchases in that state depending on the laws of that state. Contractors performing construction activities are required to pay state use tax on the cost of materials.

A. Payment Terms

The Department shall reimburse the Contractor for the functions it performs and services it provides or purchases as set forth in **Exhibit 1: Scope of Services**. Payments by the Department under this Contract are contingent upon: (a) substantial compliance by the Contractor of all responsibilities identified in this Contract, and in accordance with State and Federal laws; (b) authorization of Wisconsin and Federal laws and availability of State and Federal funds; and (c) approval of cost allocation plans, and (d) approval of equipment over \$5000 by DCF.

1. Allowable Costs

The Department will make payments for incurred allowable costs that are consistent with the [DCF Allowable Cost Policy Manual](#) and applicable Federal allowable cost policies. Program expenditures and descriptions of allowable costs are further described in 2 CFR Part 200 and 45 CFR Part 75 when applicable. See Office of Management and Budget website for links to Code of Federal Regulations (CFR) sections: [Federal OMB Uniform Guidance Site](#).

2. Expense Submission

Claims for reimbursement must be submitted electronically using the SPARC portal pursuant to the requirements of the Department's cost reporting system. SPARC will display the appropriate line codes for reporting. It is important to enter the correct month and year.

The Department may request additional documentation for expenses submitted by the County to SPARC. The County must submit additional documentation in the SPARC portal. The expenses entered into SPARC must be saved on or before the 23rd day of the month following the month for which reimbursement is being claimed. The Department will issue the reimbursement using direct deposit quarterly, subject to reduction, recovery and reimbursement as provided in this Agreement. Late or revised expenses will be processed in the next quarter's payment cycle.

If the 23rd day of the month and/or the last day of the month fall on a non-business day (per the State of Wisconsin calendar), the expenses due date and/or reimbursement date become the next business day.

The payment schedule is available on the SPARC website: <https://dcfparc.wisconsin.gov/>.

3. Reimbursement

For all claims submitted timely, the Department will promptly issue the reimbursement by direct deposit on a quarterly basis. Said reimbursements are subject to reduction and/or recovery as provided in this Agreement. Late expense claims will be processed in the next payment cycle unless permission to process funds early is mutually agreed upon by the County and the Department, and at a date convenient to the Department, but not later than at the next payment cycle.

DCF requires all grants to be paid through an **Automatic Clearing House** (direct deposit). ACH payments will be deposited into your agency's account according to your agency's Contract terms. To begin receiving ACH payment, please request forms from DCFContracting@wi.gov. Sign and submit the form along with a voided check, deposit ticket or bank letter to DCFContracting@wi.gov.

Total net reimbursement to the Contractor for incurred allowable expenses shall not exceed the contracted amounts specified in to the funding allocation table on P.2 of this Contract, excluding FFP or other non-State funds. Net reimbursements under this Contract may be adjusted for other amounts owed the Department as described in VII.B.

The Department may increase or reduce payments pursuant to State or Federal audits.

4. Final Submission

The County shall report all incurred allowable expenses for reimbursement under this Agreement to the Department within sixty (60) days of the end of the Contract period unless a different date is mutually agreed upon by the County and the Department as specified. If allowable under Federal law and funding is available, the Department will not unreasonably withhold approval for expenditures eligible for Federal financial participation.

To submit an expense report later than sixty (60) days, the County shall submit a written request to the Department prior to the sixtieth (60th) day providing an explanation for the late submission. The Department program unit providing the funds must approve the late expense report for the late expenses to be reimbursed.

5. Additional Claims Related to the Single Audit

Claims for allowable costs (expenses) not reported within sixty (60) days of the end of the Contract period, or within the extended Contract period if an extension is granted, will be submitted for Federal reimbursement if (a) the costs are identified as a finding in the Contractor's Single Audit, and (b) the Contractor's Single Audit report is received within the mandated timeframes. Federal reimbursement received will be passed on to the Contractor as a part of the audit resolution process.

If the single audit results in funds being owed to either party, the amount of funds owed may be either paid in the next payment cycle, or adjusted from the following year's allocations, as mutually agreed upon by the County and the Department. If the single audit results in both parties being owed funds, those funds shall be summed and offset to result in a one-way net adjustment and would be subject to repayment as identified above.

6. Excess / Overpayments

DCF will recover any funds paid in excess of the allowable costs of services provided under this agreement within thirty (30) days of notification. Allowable costs are defined by 2 CFR Part 200 and 45 CFR Part 75 when applicable, the attachment(s) to this agreement, and/or the program policy manual. DCF may recover any funds paid in excess of the conditions of this agreement from subsequent payments or may recover such funds by any legal means.

B. Withholding, Deduction/Reduction, and Recovery of Funds

The Department shall have the right to withhold deduct, reduce, and/or recover payments due under the terms of the Contract if the County fails to provide services consistent with this Contract; or if the Department reasonably determines it to be necessary to protect the Department against potential losses or liabilities attributable to the County, including potential Federal disallowances or sanctions. The Department may recover payments pursuant to State or Federal audits.

1. Withholding

The payments to be withheld will be in an amount the Department determines necessary to cause the County to correct its failures, or to protect the Department against potential losses or liabilities, and such amount will be withheld until the failure to provide the services or meet the Contract provision is cured or until the potential loss or liability ceases. The Department will withhold funds pursuant to this subsection only after the Department has given notice to withhold funds.

2. Deduction/Reduction of Funds

Department makes payments only for services that are actually provided and that meet the terms and conditions of this Contract. Except as stated in **Exhibit 1: Scope of Services**, the Department shall have the right to deduct the amounts being withheld from its financial

obligations to the County if the County has not yet cured its failures or caused the potential losses or liabilities to cease. In addition, the Department shall have the right to deduct amounts equal to an amount imposed against the Department as a Federal disallowance or sanction that is attributable to the County's performance or failure to perform, misuse of funds, or non-compliance with the Contract.

The Department shall have the right to deduct any amounts due the Department from the County from money otherwise payable to the County for any other reason specifically provided under this Contract except as stated in **Exhibit 1: Scope of Services**.

In situations where appropriate DCF reserves the right to reduce the total amount of the Contract award due to significant under-spending by the County. All such Contract award reductions will become effective upon thirty (30) days written notice to the County and shall not relieve the County of any programmatic requirements.

3. Recovery of Funds

The Department reserves the right to recover funds that are owed by reducing future disbursements to the County by an amount equal to what is owed. The Department may adjust subsequent claims for reimbursement by any audit exception or non-compliance exception up to the amount of the exception. The Parties shall negotiate the timing and payment schedule of any adjustments under this section.

C. County Liabilities

1. Bonding or Surety Instruments

The Department, where applicable, may require written assurance at the time of entering into this Contract that the County has in force, and will maintain for the course of this Contract, employee dishonesty bonding or other suitable surety instruments in a reasonable amount to be determined by DCF. The Department will not collect bonding or other surety information for individual agencies. All information must be maintained by the County and is subject to the State Single Audit Guidelines (SSAG).

Such causes may include, but are not restricted to, acts of nature or the public enemy, acts of the government in either its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes and unusually severe weather, but in every case the failure to perform such must be beyond the reasonable control and without the fault or negligence of the party.

Such notice shall include, to the best of the County's knowledge at that time, the persons affected and the Confidential Information that was or may have been disclosed.

In the event of a breach of this Section, each agency agrees that, as related to this interagency contract, any loss or expense (including costs and attorney fees) will be charged to the agency responsible for the officer, employee or agent whose activity caused the loss or expense. The County will not be responsible for any loss or expense in situations when the County disclosed Confidential Information at the express direction of the Department.

This includes, but is not limited to, costs of monitoring the credit of all persons whose Confidential Information was disclosed, disallowances or penalties from Federal oversight agencies, and any court costs, expenses, and reasonable attorney fees, incurred by the State in the enforcement of this Section. If a breach occurs, the County shall take prompt commercially reasonable steps to minimize the risk of another such unauthorized use or disclosure or to mitigate any harmful effects of such unauthorized use or disclosure. The County shall cooperate with the State's efforts to seek appropriate injunctive relief or otherwise prevent or curtail such actual breach, or to recover confidential information, including complying with a Corrective Action Plan as provided for in Section XII C.

X. RECORDS, DEPARTMENT PROPERTY AND AUTOMATION

A. Records Access and Retention

The County shall maintain such records (in either written or electronic form) as required by State and Federal law and as required by program policies. The County shall retain records in a secure environment for no less than 6 years beyond the end of this contract, or the period specified in the attached Scope of Services if a different retention period is required. Records for periods which are under audit or subject to dispute or litigation must be retained until the audit/dispute/litigation, and any associated appeal periods, have ended. DCF will inform the County in the event records would be affected by this.

Upon DCF's request, at the expiration of the Contract, the County will transfer at no cost to DCF records regarding the individual recipients who received services from County under this Agreement. The transfer of records includes transfer of any record, regardless of media, if that is the only method under which records were maintained.

County shall surrender to DCF all DCF property upon the termination of this Contract.

The County Security Officer is responsible to ensure that access to the State's automated systems is requested only for the purposes of administration of the programs under the Contract, and that each individual's level of access is requested and maintained at the minimum necessary for that individual to provide Contract services. Any system access request that does not meet this requirement must be denied at the local level. All system access requests must be signed by the Supervisor and County Security Officer or Backup County Security Officer, as appropriate, before State security staff process the request.
