Subject: Eviction Moratorium Extended

Good morning,

The Centers for Disease Control and Prevention (CDC) extended the national moratorium on evictions for one final month through July 31. This month-long extension will allow for wider distribution of federal emergency rental assistance aid. Additionally, the IRS is planning on distributing the first advance payment of the expanded Child Tax Credit (CTC) to reach families on July 15. Please use this time to connect families with available assistance such as [Wisconsin Emergency Rental Assistance \(WERA\)](#) and Wisconsin's [Emergency Assistance](#) program.

Please see the Eviction Moratorium Expiration and Resources Help Desk email sent on 6/23/21 for additional rental assistance resources and action steps for those facing evictions.

For questions about the monthly distribution of the Child Tax Credit, please see [IRS's advance payments webpage](#) for more information.

This email will be posted to the [BWF Work Programs Help Desk Home Page](#).
