Subject: COVID-19 Economic Impact Payment
Date: Tuesday, September 15, 2020 8:34:49 AM

Dear Colleagues;

October 15, 2020, is the deadline for the economic impact payment. The Consumer Financial Protection Bureau (CFPB) recently released the following resources to support organizations in assisting eligible clients with accessing their Economic Impact Payments. The Consumer Financial Protection Bureau's goal is to reach organizations who work with low income populations and share [the guide](#) and [the customizable flyer](#) providing additional information.

Additional suggestions from CFPB for organizations include:

1. If you can, please add a blurb to your website, any newsletter, etc. and links to [the guide](#), [the customizable flyer](#).
2. Email any groups you think may be interested.
3. Include suggested posts below for your social media outlets:
 - a. Post #1: Did you know millions of people have not yet received their Economic Impact Payments? Can you help these individuals access their \$1200 before October 15? Use the following guide to help individuals submit their information to the IRS by October 15, 2020 so they can get their funds this year!

 - b. Post #2: Work with the CFPB and the IRS to connect millions of eligible non-filers with Economic Impact Payments (EIP)! Their new guide is designed for staff who work directly with low income populations to both make people aware and provide support to those who need to take action to receive their EIP.

 - c. Post #3: Help people you serve claim the EIP. Use the new step-by-step guide, designed for caseworkers and frontline staff.
