Subject: Removal of W-2 Hmong Eligibility Notice

Good Morning,

BWF is informing agencies all Hmong-translated forms are in the process of being discontinued. In alignment with the Division of Early Child Care and Education (DECE) and the Department of Health Services (DHS), W-2 will be discontinuing the use of Hmong eligibility notices on August 31, 2021.

Starting September 1, all applicants and participants with Hmong selected as the primary language under Household Information on the CWW General Case Information page will receive eligibility notices in English as the Hmong-translated version will no longer be available.

Please direct any questions about this change to your regional coordinator or administrator.
