

An updated 2019 Data Load Calendar for the Employment Programs reports has been posted in Webl. Please note, changes to the previous 2019 calendar are highlighted in yellow. Specifically, the load dates for some reports on a monthly load schedule have been corrected, and the monthly caseload data for March 2019 will not be available until April 15, 2019.

File name: WISDOM Customer Data Load Calendar – Production Calendar 2019 FINAL as of 4-9-19
