

A message was released on June 27, 2018 outlining the first phase of the WebI Employment Reports archival project. A copy of this message has been published to the DCF Internet site:
<https://dcf.wisconsin.gov/w2/researchers/stats/messagecenter>.

The reports outlined in the aforementioned message have been archived, and an updated list of report titles and folder locations within the Employment Programs folder has been published in WebI:
/DCF/WISDOM/Employment Programs/Resources/.

If you are unable to access the message center from the link above, you can manually access the DCF Research and Analytics W-2 Message Center by going to the Wisconsin DCF website. Then, click on the "How do I..." dropdown. Within the "How do I..." dropdown, click on "DCF Data" in the "Request..." section. Next, click on the "Wisconsin Works" dropdown. Click the "Wisconsin Works Research and Analytics" hyperlink. Lastly, click the "Wisconsin Works (W-2) Message Center".
