

Good afternoon.

The Wisconsin Works Alert Monitoring Report has been edited. The following columns were removed from the Detailed List Tab: Days Overdue, Resolved Untimely, Resolved Timely, Pending (Overdue) As Of End of Report Month, Pending (Not Overdue) As of End of Report Month, Pending (Overdue) As Of Current Date, and Pending (Not Overdue) As Of Current Date. These columns were removed because they were not being used and/or their displayed data could not be verified as accurate for all Alert Codes.
