

A new Webl report has been published in the Employment Programs folder.

Title: Monitoring Report 01: Expiring Time Limits

Folder Location: DCF/WISDOM/Employment Programs/W-2 Monitoring/Application and Assessment

Purpose: This report was created to help W-2 agency staff and DCF monitoring staff identify participants who are approaching their monthly time limits, and to enter timely extensions or properly close the case.

Description of Report: This report lists all participants who are identified by WWP as needing an extension. Additionally, all extension types are shown, as well as the number of months used and the maximum months the participant can use before their case will be automatically closed by a batch process.

More detailed documentation has been published at DCF/WISDOM/Employment Programs/W-2 Monitoring/Application and Assessment/Report Documentation.

This report has been added to the list of Webl report titles and folder locations within the Employment Programs folder, located at DCF/WISDOM/Employment Programs/Resources/Webl Report Names and File Locations for the W-2 Program and Employment Programs Folder Reorganization FINAL sbh 12-19-18.
