

The Bureau of Working Families in the Division of Family and Economic Security within the Department of Children and Families is publishing two new WebI Reports today along with documentation that explains each report. These reports are located in the WebI folder: DCF/WISDOM/Employment Programs/ Emergency Assistance. There will be a separate folder within this location that will hold the report documentation.

The reports are:

1. EA Report 09: Emergency Assistance Monthly Performance Outcome Summary
2. EA Report 10: Emergency Assistance Monthly Timely Processing Details.

Additional Emergency Assistance Reports are currently undergoing testing. This list serve will send out notification as these reports are approved and published.
