Folder Location: DCF/ WISDOM/ Employment Programs/ Wisconsin Works/ W-2 Performance Outcome

Purpose: This report shows the number of and amount paid for Partial Job (PJ) Attainment Claims and Job Attainment (JA) Claims. This report also lists the individual details for each claim. Additionally, this report is a good starting point for determining discrepancies in PJ and JA payment amounts.

Here is clarification on some calculations for the Summary Tab:

"Combining PJ with JA Submit Amount" = "Combining PJ with JA Submit Count" x "Combining PJ with JA Claim Price"

"Combining PJ with JA Take Back Amount" = "Combining PJ with JA Take Back Count" x "Combining PJ with JA Claim Price"

"JA Submit Amount" = "Combining JA Submit Count" x "JA Claim Price"

"JA Take Back Amount" = "JA Take Back Count" x "JA Claim Price"

"Total Paid Amount" = "Combining PJ with JA Submit Amount" + "Combining PJ with JA Take Back Amount" + "JA Submit Amount" + "JA Take Back Amount"

Documentation for this report will be published at a later date.
