

The “RP740Q - W2 Placement & Activities Detail Report - W2T, CSJs, CMS, CMF, RWJ” report has been renamed to “RP740Q - W2 Placement & Activities Detail Report - All Placements” and a new version has been published to the DCF / WISDOM / Employment Programs / W-2 Monitoring folder in Web!

This version of the report includes the Employability Plan (EP) End Date, and has been cleaned up a bit. We have removed the tabs for placements that no longer exist, and have added a tab for all placements. Additionally, we are highlighting any EP end date that is either in the past, or within 14 days of the report’s “As of Date” (the date the data was last refreshed).
