

The Bureau of Working Families published five new Emergency Assistance (EA) WeBI Reports along with documentation for each report. The reports capture information provided in the Emergency Assistance Tracking System (EATS).

Reports are located in DCF/WISDOM/Employment Programs/Emergency Assistance. There is a separate folder within this location that holds the report documentation.

The reports are:

1. EA Report 03: Emergency Assistance Details - Zero Payments

This report tracks the EA applications that were approved and confirmed, and a payment has not yet been issued.

2. EA Report 04: Emergency Assistance Details - Unconfirmed Requests

This report shows the EA applications that were approved or denied but not yet confirmed.

3. EA Report 05: Emergency Assistance Request Denial Statistics

This report shows the number of EA applications denied by denial reason, and the percent of total for each denial reason.

4. EA Report 06: Emergency Assistance Request Denials by Emergency Type

This report shows the number of EA applications denied by emergency type, and the percent of total for each emergency type.

5. EA Report 07: Emergency Assistance Request On Hold

This report shows the EA applications whose application status is "On Hold."
