

A new report entitled **POP Report 18: POP Claim Adjudication Report** has been created and published in WEBI to the following folder location:

DCF/WISDOM/Employment Programs/Wisconsin Works/W-2 Performance Outcome

The purpose of this report is to show the DCF review status of each POP claim. The data is updated nightly to reflect changes made during the previous business day. The report includes claim number and type of claim, the agency claim status and claim status date, the DCF review status and review status date, the worker who initiated the claim, and the FEP worker.
