II. W-2 Individual Placement Movement Reports

Public Folders / DCF / WISDOM / Employment Programs / W-2 / W2 - Individual

W2 #29a Movement Between W-2 Placements Summary

This report shows the total number of W-2 participants who have transitioned from one placement type to another placement type by month. Note: The leftmost column indicates the previous month's placement, and the top row of placements indicates the current month's placement. For example, the number of participants who moved from W2T to CSJ is determined by finding W2T in the leftmost column, then moving across to find the CSJ column for that row.

W2 #29b Movement Between W-2 Placements Detail

This report shows the individual-level list of each W-2 participant's placement in the previous month and the current month.
