CHANGING YOUR PASSWORD FOR ENTERPRISE OUTLOOK ON THE WEB

You cannot use the Change Password function in the Options section of Outlook on the Web.

Instead you can change your password using the following URL:
https://eiam.wisconsin.gov/

Notes:
• You must change your password every 60 days.
• The network stores the last 8 passwords you used. You may reuse passwords that are not stored.
• If you have problems changing your password, please contact the Service Desk at 608-264-6323.
